Work Study Job Description

Job Title	SoundCitizen Intern
Department Name	UW Tacoma Center for Urban Waters
Job Location	UW Tacoma
Pay Rate	$12.00 - $12.00
Employment Period	Summer, Academic Year
Hours Per Week	19 hrs/wk
Contact Supervisor	Kim Davenport
Phone Number	
Email Address	kimmd@uw.edu
Website	
Box Number	358438

Nature of Organization

The UWT Center for Urban Waters is looking for undergraduates to work with SoundCitizen (soundcitizen.org), a community-based water sampling network that works with the public to investigate the chemical llinks between urban settings and watersheds.

Duties and Responsibilities

Duties may include: assemble & mail sampling kits; filter & acidify samples; training on laboratory methods of extraction; elution; data analysis; surveying background literature; research poster presentation; developing communication pieces for the Sound Citizen website.

Minimum Qualifications

Any current UW student who meets the following prerequisites may apply:

• TMATH 120 (Pre-Calculus) completed with a passing grade, or currently enrolled

To be eligible, students must be able to commit to the following:
• 10 hours of work per week, to include at least 2 3-hour blocks during the standard work week (M-F, 8am-6pm)
• Working with the SoundCitizen program at least through the end of Winter Quarter 2013.

Educational Benefits

Gain training in current environmental chemistry methods in a professional lab with cutting-edge technologies; Enhance your understanding of contemporary issues with nonpoint source pollution; Contribute to public understanding of and appreciation for connections to local watersheds.
How to Apply
Send resume and a cover letter, describing your interest and qualifications, to urbanh2o@uw.edu
