Nature of Organization

Duties and Responsibilities

The Lund Laboratory is recruiting a work study student to assist with basic laboratory maintenance. This may include:

• Provide basic support to the laboratory
• Assist with mouse colony
• Stock lab products
• Autoclave and remove biohazard trash
• Prepare reagents
• Perform general lab maintenance/upkeep
• Assist with set-up of experiments and work with biohazardous materials and HSV
• Perform other duties as assigned

Minimum Qualifications

Off-Campus Work Study authorization is required for this position. All students must provide a Financial Aid Award Letter or an Authorization to work off-campus to verify their eligibility if selected for this position.

A high school diploma or GED is required. No previous experience is necessary. Knowledge of computer usage (especially use of spreadsheets and databases) is highly desirable. Accuracy and attention to detail is essential.
