Nature of Organization
We seek a student Computer Specialist to join a small group managing computing for a Social Science research center. We support users, perform project work and daily maintenance of desktop, lab, and laptop Windows systems.
Duties and Responsibilities
Excellent candidates will have some computing experience (Unix, Windows, Mac OS, etc), be willing to learn (a lot - quickly), and have a helpful attitude and great customer service skills. Experience with IP networking a plus. Programming experience also a plus.
Minimum Qualifications
You do not need to be a CSE or EE major. Training will be provided with expectation of very quick grasp of concepts and a willingness to be challenged. With direction, self-study and research will be key to success. This is a long-term position hopefully lasting two to three (or more) years. You must be available to work at least 9 hours per week. Work times are flexible within the 9-5 daytime shift. You must be a full-time student at the University of Washington to be eligible.
Educational Benefits
The position will give students experience in working in a group setting to support non-technical users in the use of computers, networks, and technology.

How to Apply
Email mbw@uw.edu and submit your resume (in text, postscript, or PDF only).
