EIN	911984129

Nature of Organization
We are a rapidly growing auto dealership group. We are in the transitional phase where we are beginning to need to fill more technical positions with student workers so we can begin to develop talent to be able to fill future technical positions
Duties and Responsibilities
This position will help support digital marketing activities to strengthen and extend the Group's presence across multiple channels. This will include social media, web graphic design, website maintenance and email marketing. Help create, manage and publish marketing/sales content for various digital media channels. Support ongoing social media campaigns. Support ongoing digital marketing campaigns.
Minimum Qualifications
Currently enrolled in a Business, Marketing, Advertising, Design related degree program. Comfortable using social media tools. Knowledgeable in Photoshop & Dreamweaver Ability to learn quickly, demonstrate initiative, and adapt to shifting priorities Strong problem solving abilities Ability to manage workload efficiently Strong communication skills, both verbal and written

Educational Benefits
This real world experience will develop your marketing skills and business knowledge. This is an opportunity to refine SEO and graphic design skills and will give the student great documentation for the resume/portfolio. Be a part of the team that helps drive in the web traffic that results in a large portion of the Group's sales.
