APPLICATION for MEDICAL/SICK PAID LEAVE or FAMILY CARE PAID LEAVE or FMLA

SENIOR FELLOWS/SENIOR FELLOW TRAINEES: Senior Fellows (0445) and Senior Fellow Trainees (0442) must contact Academic Human Resources in order to determine leave eligibility.

MEDICAL/SICK PAID LEAVE: Faculty members are eligible for up to 90 calendar days of medical/sick leave with salary continuation as needed and documented in a statement from a health care provider (HCP). Faculty members who are on a 9-month service period are entitled to this coverage during contracted teaching periods (eligible in summer if contracted to teach). Faculty who are on a 12-month service period are eligible year round (7/1 - 6/30). Librarians, please check with Libraries Personnel.

FAMILY CARE PAID LEAVE: Faculty members are eligible to use available paid sick/medical leave as family care leave. Under the Family Care Leave law, an employee is entitled to use any or all of their choice of sick/medical leave or other time off to care for a spouse, parent, parent-in-law, or grandparent of the employee who has a serious health condition, or to care for a child of the employee who has a health condition that requires treatment or supervision, if the child is either under eighteen years of age or older but incapable of self-care because of a mental or physical disability.

FMLA – MAINTENANCE OF HEALTH BENEFITS: The Family and Medical Leave Act (FMLA) ensures that eligible employees receive up to 12 weeks of leave during any academic year for defined medical and family reasons. *Medical/Sick Paid Leave and Family Care Leave count against a faculty member's FMLA leave entitlement.* Under certain circumstances, faculty members may need to take unpaid FMLA leave, which will provide for the continuation of University paid benefits for a total of 12 weeks of FMLA leave in an academic year. Please contact Academic Human Resources for specific information about FMLA applications.
