The University of Washington (UW) offers a wide range of benefits as part of your total compensation package. Eligibility

You can become eligible for benefits in one of two ways:

- 1) If your appointment is quarter-to-quarter, you will become eligible when you achieve a second consecutive quarter of 50% Full-time Equivalent (FTE) or greater. In this case, your coverage begins the first of the month following the beginning of the second-quarter appointment.
- 2) If your appointment is for one quarter only and is paid at a 50% FTE or greater, and at any time in the last 12 months you were eligible for a prior quarter's coverage under faculty eligibility rules at UW or another state higher education institution.

Note: Part-time faculty are responsible for providing quarterly written notice to each institution's benefits office if you have faculty appointments at one or more State institutions of higher education.

Life and Accidental Death and Dismemberment Insurance

The University provides each eligible employee with \$25,000 of term life insurance. Coverage options allow employees to design their own plan by purchasing up to an additional \$750,000 in term insurance for themselves as well as coverage for a spouse/partner—in some cases, without evidence of insurability. www.uw.edu/admin/hr/benefits/insure/fac-staff-lib/life-add/

Long Term Disability Insurance

The UW pays for Basic Long Term Disability (LTD) coverage with a 90-day waiting period and a maximum benefit of \$240 per month. You may purchase additional optional LTD coverage to supplement the Basic LTD, providing up to 60 percent of monthly salary (calculated on a maximum annual salary cap of \$120,000) following a waiting period you select.

Retirement

Retirement Plans

UW faculty (as defined in the Faculty Code) with appointments of 50% FTE and 9 months or greater in duration have 30 days from their eligibility date to make a retirement plan election between the UW Retirement Plan (UWRP) or the state's Teachers' Retirement System (TRS) Plan 3.

UWRP is a Defined Contribution (DC) Plan under Internal Revenue Code (IRC) Section 403(b). The employee defers a

defined percent of wages to a retirement account before federal withholding tax is calculated, and the UW matches 100% of those contributions. Contribution levels are:

- 5% of gross salary: Under age 35
- 7.5% of gross salary: Age 35 and over
- 10% of gross salary: Age 50 and over (optional)

TRS Plan 3 is a hybrid "defined benefit" (DB) and "defined contribution" (DC) retirement plan under IRC Section 401(a). The DB portion of the plan is funded by employer contributions. The DC portion of the plan is funded by tax-deferred employee contributions. An employee elects one of six contribution options. Compare the plans: www.uw.edu/admin/hr/benefits/retirement/plans/compare/uwrp-trs3.html

Voluntary Investment Program

Add another tax-deferred option to your retirement savings with the Voluntary Investment Program (VIP). This optional retirement savings plan—under Internal Revenue Code 403(b)—allows contributions to be deducted from your gross salary before taxes are calculated so you lower your taxable income. The UW does not match VIP contributions. www.uw.edu/admin/hr/benefits/retirement/vip/

Deferred Compensation Program

Washington State Deferred Compensation Program (WSDCP) is an additional retirement savings program under IRC 457(b) that provides even more optional retirement savings. Like the VIP, it is deducted pre-tax, and the savings grow tax-deferred. It is also unmatched by UW. UW employees may participate in both VIP and WSDCP in the same tax year at the same time. www.uw.edu/admin/hr/benefits/retirement/defer-comp.html
