### Insurance

---

#### Eligibility

You are eligible for insurance benefits when you are appointed to an eligible position with at least a 50 percent appointment and duration of three or more academic quarters. If your appointment is less than 9 months, you become eligible when you achieve a second consecutive quarter of 50% Full-Time Equivalent (FTE) or greater. In this case, your coverage begins the first of the month following the beginning of the second-quarter appointment.

Insurance benefits generally begin the first of the following month. However, if an eligible appointment begins on the first business or calendar day of the month, eligibility begins on that day.

#### Medical Insurance

Eligible employees may choose from among 10 health plans, all of which are listed here: [www.uw.edu/admin/hr/benefits/insure/fac-staff-lib/meddent/choose-medical.html](http://www.uw.edu/admin/hr/benefits/insure/fac-staff-lib/meddent/choose-medical.html)

Note: The Kaiser Permanente plans are only available to those residing in the southwest region of Washington or northwest/north region of Oregon.

#### Flexible Spending Account

If you choose a Classic, Value, or Accountable Care Program (ACP) medical plan, you have the option to contribute to a tax-exempt Flexible Spending Account. The FSA allows you to save money on eligible medical expenses.

Note: FSAs are not an option for those enrolled in a Consumer-Directed Health Plan. With this type of plan, you would automatically be enrolled in a Health Savings Account instead.

#### Dental Insurance

Choose from two managed care plans and one preferred provider plan. Dental premiums for you and your dependent(s) are fully paid by the UW.

#### Life, Accidental Death, and Dismemberment Insurance

The University provides each eligible employee with \$25,000 of term life insurance. Options allow employees to design their own coverage by purchasing up to an additional \$750,000 in term insurance for themselves as well as coverage for a spouse/partner—in some cases, without evidence of insurability.

### Retirement

---

#### Retirement Plans

UW Residents (job class 0328), Fellows (0444), Sr. Fellow (0445), Chief Residents (0329), and Chief Resident/Non-ACGME (0333) have 30 days from their eligibility date to make a retirement plan election between the UW Retirement Plan (UWRP) or the state's Public Employee Retirement System (PERS) Plan 3.

UWRP is a Defined Contribution (DC) Plan under Internal Revenue Code (IRC) Section 403(b). The employee defers a defined percent of wages to a retirement account before federal withholding tax is calculated, and the UW matches 100% of those contributions.

Contribution levels are:

- 5% of gross salary: Under age 35
- 7.5% of gross salary: Age 35 and over
- 10% of gross salary: Age 50 and over (optional)

PERS Plan 3 is a hybrid "defined benefit" (DB) and "defined contribution" (DC) retirement plan under IRC Section 401(a). The DB portion of the plan is funded by employer contributions.

The DC portion of the plan is funded by tax-deferred employee contributions. An employee elects one of six contribution options.

#### Voluntary Investment Program

Add to your retirement portfolio with the Voluntary Investment Program (VIP), an optional, unmatched retirement savings plan under Section 403(b) of the federal tax code. Use the VIP to tap into the tax advantages of pre-tax savings, make after-tax (Roth) contributions to create a tax-free account for retirement, or use both contribution types.
