

2009-2010 Summary of Dental Benefits

Your annual deductible for dental benefits – \$25/person, up to \$75/family – is waived for diagnostic and preventive services as well as accidental dental injury benefits. Once you meet the deductible (if applicable), the dental plan pays benefits as listed below, up to the \$1,500 maximum each plan year:

Diagnostic and Preventive Services (such as cleanings, x-rays and exams)	100% (no deductible)
Minor Services: Restorative, Oral Surgery, Periodontics and Endodontics (such as fillings and extractions)	80% after deductible
Major Services: Major Restorative and Prosthodontics (such as crowns and dentures)	50% after deductible
