

THE 2011 – 2012 DENTAL STUDENTS  
GROUP DISABILITY INSURANCE PLAN  
SPONSORED BY THE AMERICAN MEDICAL ASSOCIATION

Students enrolled in the University of Washington School of Dentistry are eligible for this benefit

Where do you see yourself in five years? Or ten? You may be finished with dental school and about to open your own practice. Maybe you're continuing your education to become a specialist. Possibly you're playing catch with your children.

It's hard to imagine yourself as disabled. You're fit and healthy, right? But a surprising number of people do find themselves hurt or sick and unable to work or attend

school - even if only for a short time. With student loan debt facing you, a disability could be financially devastating.

The AMA sponsored MedPlus Advantage Long Term Disability Plan provides a monthly benefit in the event you become disabled and are unable to attend dental school. The plan is designed to meet the particular needs and concerns of individuals who have chosen to dedicate themselves to the health care professions.

***Enrollment is convenient and easy!***

*Please see the certificate of insurance for specific plan provisions.*

The AMA sponsored plan is designed to meet the particular needs and concerns of individuals who have chosen to dedicate themselves to the health care professions. Here's how:

- If you become disabled, you are eligible for a monthly base benefit of \$1,000.
- If Totally and Permanently disabled, your eligible student loans, up to \$200,000 are eligible for repayment.
- If Totally and Permanently disabled, you are eligible for a \$5,000 lump sum benefit.
- Continuation of your MedPlus Advantage coverage - without evidence of insurability.
- Conversion to an individual income protection policy upon graduation from the school of dentistry - without evidence of insurability.

This is your single opportunity to enroll in this coverage. Evidence of insurability is not required. Forms must be

completed and submitted within 31 days of your first day in the University of Washington.

**Cost for the Program**

Premium for this valuable program is only \$79.80 per year. That comes about a \$1.53 per week - less than you'd pay for a latte at your local coffeehouse.

**Eligibility to Enroll**

You are eligible to enroll in the Long Term Disability program if you are a full-time dental student at the University of Washington.

**Eligibility for Benefits**

If you become totally disabled (as defined in the certificate of insurance), you will receive a monthly benefit starting on the first day after a 90 day waiting period. Your benefits will continue for the rest of your life or until your disability ends. Disabilities due to a Mental Health Disorder are limited to 24 months of Benefits.

***With so much to lose how can you afford not to enroll?***
