Graduate students with qualified Teaching Assistant or Research Assistant appointments may be eligible to have a portion of Summer Quarter tuition waived. Eligible students will be required to pay Services and Activities Fee (included in "Resident Tuition and Required Fees") in addition to any other educational expenses. Contact the Graduate School (website: <http://www.grad.washington.edu/>) or college academic department for more information regarding academic appointments or tuition and fees.

Tuition and fees apply to the University of Washington's state supported tuition categories.
