Two generals are coming to visit L 2 Elna this afternoon, so everyone is busily engaged in cleaning up this dump. The L 2 is a bit cleaner than last time I was here, but it still bears a resemblance to a slanty town. Considering the conditions I, there isn't anything that can be done about it.

The LZ's defense includes ground
surveillance radar, which can
detect the movement of individuals
at a great distance. It's very effective
- the utility was blowing the foul
out of the area seconds after the
rounds were launched. Gunships
were also called. Quite an
entertaining evening, but everyone
is beat today from lack of sleep.

How did I see Anne do this
season. Who plays in Thanksgiving?
I have been looking at the Sunday
paper for the scores. I think AT

games on Friday nights.

The picture was taken about

I love
