* Think biology class – with deck chairs *
Dear UW Alumni and Friends,

Join fellow alumni and friends as we explore the Galapagos Islands. Designated the first UNESCO World Heritage Site in 1978, the Galapagos Islands have been described as a “unique living museum and showcase of evolution.”

This exciting journey features a day of guided touring in Quito, in addition to a cruise through the archipelago with unparalleled access to endemic species. Expert naturalists guide you through the wonders of this national park, whale sanctuary, and marine reserve.

Cabin availability is limited. For special University of Washington savings of more than $800 per couple (alumni as well as family and friends are eligible), reserve your cabin today: online at http://uw.orbridge.com, by phone at (866) 639-0079, or by returning the enclosed reservation form.
