TYEE CLUB  
—W—

## Tequila Club!

The Tequila Club supports the University of Washington Husky Marching Band and is “instrumental” in helping achieve the quality of our nationally renowned program. Developed to offer Husky Band alumni, friends and community members an opportunity to be a part of the Husky Band family, the Tequila Club helps raise annual funds that are vital to the band’s success.

275 UW students make up the Husky Marching Band and Cheer Squad and perform year-round for nearly all of the UW’s student-athletes and their thousands of fans. With the rising cost of uniforms, instrument maintenance and travel, annual contributions are key to enabling the Husky Band to support our teams and the UW community.

Please consider joining at one of the following giving levels so that we may continue to give the incredibly dedicated students of the Husky Band and Cheer Squad the opportunity to perform for all of you and give them each the collegiate band experience they will all cherish.
