

Volume II

Agencies, organizations and individuals provided comments concerning the DEIS. In addition, testimony was provided at the DEIS public hearings on the EIS, which occurred the afternoon and evening of November 9, 2000. Overall, a total of seven agencies, 16 organizations and 37 submitted comments.

Volume II of this Final EIS contains three sections of the Final EIS (section numbering continues from *Volume I* of the Final EIS).

- *Section IV* is a discussion of Major Issues. These are issues that were identified by agencies, community groups and the general public during the DEIS comment period. Five major issues are discussed in this section, including:
 - A. Phasing/Timing/Priorities for Campus Master Plan Development;**
 - B. Street, Alley and Aerial Vacations;**
 - C. Transportation Management Plan;**
 - D. Relationship to the University Community Urban Center Plan.**
- *Section V* contains comment letters that were received concerning the DEIS from agencies, organizations and individuals together with responses to the comments raised. A total of seven agencies, 16 organizations and 37 individuals provided 740 written comments.
- *Section VI* contains testimony that was received regarding the DEIS during the two public hearings that were held on the DEIS. This section includes a record of the testimony from each hearing, a summary of the comments, and responses to the comments raised. A total of 2 agencies, 3 organizations and 7 individuals provided a total of 31 comments.
