

**Do you Want to Know More about How the UW  
Responds to Major Building Emergencies?  
Then join us at the....**

***1<sup>st</sup> Annual UW  
Building Emergency  
Responder Summit***

**Date: Tuesday, October 24, 2006  
Time: 1:00 pm—4:00 pm  
Location: Health Sciences Building,  
Hogness Auditorium, A-Wing**

This event will provide interesting and timely information to all interested UW staff who are involved in planning and response to building emergencies. It will include an Open House, presentations by UW and City officials and a real-life emergency scenario. Bring your questions and an open mind!

**Who Should Attend:**

- All UW Building Coordinators
- Department Administrators
- All Evacuation Wardens & Alternates
- Health & Safety Committee members
- UW Campus Emergency Personnel (i.e., UWPD, CERT & PEAT Teams, ATC-20 members, FOMS staff)
- Any other Interested Staff Members

For more information and a detailed program, please go to [www.washington.edu/emergency](http://www.washington.edu/emergency) under “What’s New”

**NO RSVPs REQUIRED!**
