

FACILITIES SERVICES

UNIVERSITY of WASHINGTON
MOVING AND SURPLUS

The University of Washington is seeking bids on a ring of eight change-ringing bells (tenor 10cwt) and some fittings. The back six (originally from Writtle, Essex) have been retuned by Whitechapel in 2004 to match the two trebles that were newly cast by Whitechapel in 2004 to complete the eight. Fittings are six original fittings from the redundant ring and include wheels, headstocks and clappers, and have not been refurbished. The estimated value of the bells and fittings is \$ 57,000.00 (USD).

A condition of sale is that the bells are to be incorporated into a ring which is hung for full circle ringing.

For more details on the bells, including pictures, see www.uwsurplus.com/surplus/sales/bid/
Or contact Rebecca Woodgate at woodgate@apl.washington.edu or rebeccawoodgate@yahoo.com
For more information concerning the sale of the bells, please contact Teresa Seyfried at tseyfrie@uw.edu

The change-ringing bells are being sold "AS-IS, WHERE-IS". The bells and fittings are currently in storage at Taylors Bellfoundry in the UK. Buyer is responsible for the cost of transporting the bells from their current location.

Since the Bells are located in the UK, there is no WA tax to be paid to the University of Washington on the sale. It is the buyer's responsibility to pay any other relevant tax, if applicable.

If you are interested in purchasing the Bells, please submit a bid by providing the information below by email, fax, or mail to the UW Moving and Surplus Office at:
