At its meeting on October 22, the Faculty Senate approved a Class B change in the UW Policy Directory: WAC 478-120 – related to the Student Conduct Code. President Ana Mari Cauce has also approved the proposed legislation. The faculty is now being given the opportunity to submit written objections to its substantive nature, under the Faculty Code, Chapter 22, Section 22-74 Senate Procedure: Class B Actions. A copy of the proposed changes are included with this notice.

To provide a written objection, and call for Senate Executive Committee reconsideration of the matter, you must object in writing by accessing the catalyst survey (https://catalyst.uw.edu/webq/survey/secfac/286037) by November 30, 2015. If you do not respond, we will assume you have approved the changes in the legislation.

The ASUW, GPSS and Faculty Council on Student Affairs (FCSA) along with the Faculty Senate have endorsed these changes. A member of FCSA also served on the work group that developed the proposal. There will be further work in Phase 2 of this project, which will be working on the "process and procedures," especially with regard to the initial investigation and the appeal process. The changes that were made to the Faculty Appeal Board and University Disciplinary Committee sections in the legislation that was approved this year reflect current practices and don't substantively change the authority or process of the Faculty Appeal Board as they are currently constituted. These will be the major topics for discussion during Phase 2.

The proposed revisions to the existing student conduct code WAC 478-120 are designed to clarify expectations for students while making the process more transparent and easier to navigate. Several of the new proposed sections draw heavily from the existing code WAC 478-120 by pulling out important concepts or rights that were buried in multiple sections of the current conduct code into one section. This revised code clearly outlines student's rights and responsibilities while preserving the general procedures for imposing disciplinary sanctions through the informal hearing, the University Disciplinary Committees, the Faculty Appeal Board and the President's office. Revisions to the general procedures used in these sections are to reflect current practice.

**New Proposed Sections:**

**WAC 478-120-12 Preamble**
This was formerly WAC 478-120-020(1) under Standards of Conduct. There have been no changes to the wording of this section. This is the foundational statement for the Student conduct code and as such should be recognized as a stand-alone part of the student conduct code.

**WAC 478-120-14 Definitions**
This section provides explanations for terms previously used in the code or new terms that have been added to the code. This section provides a common language and understanding of terms used through the revised code.

**WAC 478-120-016 Statement of jurisdiction**
In the current structure of WAC 478-120, Jurisdiction (WAC 478-120-050) appears later in the code and focuses on who can take action under the code rather than addressing under what terms and where does the student conduct code apply to students. This proposed section moves to the front of the code information for students of when the code starts applying to them (from the time of admission through the actual conferral of degree) and provides specificity regarding when the code ceases to apply to students, i.e. when they are not students.
anymore because of conferral of a degree. It identifies where and under what circumstances, the University may take disciplinary action. Lastly, it preserves the ability of the Colleges, Schools and Programs to take academic action when students fail to uphold the professional standards of that academic discipline.

WAC 478-120-024 Prohibited conduct
This revision provides definitions and examples to students of the University’s expectations of them. By having this in one section with separate distinct subsections it allows for ease of navigation and tracking for compliance purposes.

WAC 478-120-026 Reporting violations of the student conduct code and initiating conduct proceedings
In the current code this information was located in several different places. This new section brings these rules together in one section. It provides information for how a person reports an alleged violation of the student conduct code and to whom. It further clarifies that academic misconduct is the purview of the Deans and Directors, which had been the practice but the revision makes it clearer. It also informs who under the code has authority to take disciplinary action and how that authority is delegated.

WAC 478-120-032 Participation of advisors and attorneys
The student conduct code has allowed for advisors and attorneys to participate and represent students in the formal adjudicative process. However this was listed in several places in the code and it wasn’t clear as to what the role of the Advisor or Attorney would be at a brief adjudicative process, which includes both the informal hearing and the hearings before the University Disciplinary Committees. This new section informs that any party, (i.e. a respondent, or in cases of sexual misconduct, a complainant) may be accompanied by and advisor or attorney to any disciplinary proceeding.

WAC 478-120-034 Service of notices and orders and time limits
This section outlines that service will be provided to students electronically through their UW email address. This brings the code up to date with a change in the Washington Administrative Procedures Act which now allows electronic service but requires that we provide notice to students that we are using electronic service. This section serves that purpose. Additionally, the code has a number of time frames outlined; particularly important is the time frame for submitting a written petition for appeal or review. This section informs students how that time frame is calculated.

WAC 478-120-036 Standard and burden of proof
Defines preponderance of the evidence and establishes who has the burden to show by a preponderance of the evidence that a violation occurred.

WAC 478-120-038 Interim Measures
The University must under Title IX take steps to reduce harassment and mitigate its effects. Interim measures are designed to separate parties, mitigate effects of harassment and are not sanctions under the student conduct process.

WAC 478-120-137 Supplementary Provisions Regarding Sexual Misconduct
This section was added as an emergency rule to bring us into compliance with the requirements of Violence Against Women Act amendments to the Clery Act which went into effect July 1, 2015. Much of this supplementary section has been absorbed in to the revisions of this code, specifically the prohibited behaviors. However, this section clarifies the process and procedures used at a Faculty Appeal Board hearing and establish that the Faculty Appeal Board has the authority to hear the matter separate and distinct from “exceptional circumstances”.

Remember the Deadline for Written Objections is November 30, 2015.
Pursuant to chapter 34.05 RCW and the authority granted by RCW 28B.20.130, the board of regents of the University of Washington has established the following regulations on rules regarding student conduct and student discipline.

478-120-012 Preamble.

The University of Washington ("university") is a public institution responsible for providing instruction in higher education, for advancing knowledge through scholarship and research, and for providing related services to the community. As a center of learning, the university also has the obligation to maintain conditions conducive to the freedom of inquiry and expression to the maximum degree compatible with the orderly conduct of its functions. For these purposes, the university is governed by rules, regulations, procedures, policies, and standards of conduct, including this conduct code, that safeguard its functions and protect the rights and freedoms of all members of the university community.
478-120-014 Definitions.

For the purposes of this conduct code, the following definitions apply:

(1) “Advisor” is a person selected by a respondent or a complainant to provide support and guidance in hearings under this conduct code.

(2) “Attorney” is a person permitted to practice law in Washington State.

(3) “Allegation of misconduct” is any report of an alleged violation of this conduct code, which may include, but is not limited to, a police report, an incident report, a witness statement, other documentation, or a verbal report or written statement from a complainant or a third party.

(4) “Complainant” is a student or another member of the university community who reports that a violation of this conduct code has been committed against him or her. In any case involving an allegation of sexual misconduct as defined in this conduct code, a complainant is afforded certain rights under this conduct code including, but not limited to:

(a) The right to be informed of all orders issued in the disciplinary case in which he or she is a complainant;
(b) The right to appeal to the faculty appeal board an initial order issued by a conduct officer;
(c) The right to request presidential review of an initial order issued by the faculty appeal board; and
(d) The right to be accompanied to all hearings by an advisor and/or an attorney.

(5) “Conduct officer” is a university official who has the authority to initiate disciplinary proceedings, conduct investigations and informal hearings, and issue initial orders under this conduct code.

(7) “Initial order” refers to an initial written decision issued in a disciplinary matter by a conduct officer, a university disciplinary committee, or the faculty appeal board in accordance with the provisions of this conduct code.

(8) “Parties” means collectively the conduct officer and the respondent. In any case involving an allegation of sexual misconduct, any complainant may elect to participate as a party in accordance with the provisions of this conduct code.

(9) “Proceedings” means all processes related to the investigation and adjudication of a disciplinary matter under this conduct code, including, but not limited to, investigations, informal and formal hearings, administrative review, and requests for reconsideration of a final order.

(10) “Respondent” is any student accused of misconduct under this conduct code. Each respondent is afforded certain rights including, but not limited to:

(a) The right to be informed of all orders issued in the respondent’s disciplinary case;
(b) The right to appeal an initial order issued by a conduct officer and a university disciplinary committee;
(c) The right to request a presidential review of an initial issued by the faculty appeal board; and
(d) The right to be accompanied to all hearings by an advisor and/or an attorney.

(11) “Sexual misconduct” includes committing, or aiding, soliciting, or attempting the commission of, the following prohibited conduct: sexual assault, sexual harassment, sexual exploitation, indecent exposure, relationship violence, stalking, and domestic violence.

(12) “Student organization” is a group of students that has complied with the requirements for university recognition or who otherwise are granted any rights or privileges by the university as a university affiliate. Student organizations include, but are not limited to athletic teams or clubs, registered student organizations (RSOs), university service clubs, and sororities and fraternities. (Student organizations are
also subject to the process and procedures outlined in the RSO Policy Guide and/or the organization’s applicable recognition agreement.)

(13) “Student” is any person enrolled in or taking courses at or through the university, either full-time or part-time, including credit, non-credit, online, and non-degree courses, and any person who has been notified of acceptance for admission by the university. A student who withdraws from a course or from the university, or completes his or her courses after the date of an alleged violation, or who is not enrolled for a particular quarter or quarters, but has a continuing relationship with the University, is still considered a student for purposes of this conduct code.

(14) “University premises” includes all of the university’s campus buildings, grounds, and facilities, all of its extension and research locations, and all other university-leased, owned, or managed buildings, grounds, and facilities, including its global learning centers and study abroad program sites, as well as all university sponsored and/or hosted online platforms.

(15) “University community” includes all university students and employees. It also includes guests of and visitors to the university during the time they are present on university premises.

(16) “University official” is an employee of the university performing his or her assigned administrative, professional, or paraprofessional duties.

(1) This conduct code applies to all students from the time of admission through the actual conferral of a degree, including any period between terms of enrollment.

(2) The university shall have the authority to hold students accountable under this conduct code for misconduct that occurs on any university premises or in connection with any university-sponsored event or activity.

(3) The university may also hold students accountable under this conduct code for off campus misconduct (i.e., misconduct that does not occur on university premises or in the context of a university-sponsored event or activity) that the university reasonably determines adversely affects a university interest. Nothing in this subsection shall be construed as being intended to protect any person or class of persons from injury or harm.

(4) Disciplinary proceedings may be initiated under the conduct code regardless of whether or not the incident in question is the subject of criminal or civil proceedings.

(5) Nothing in this conduct code shall be construed to limit academic action that may be taken by schools, colleges, or programs against a respondent based on an established violation of this conduct code that demonstrates a failure to meet the academic and/or professional standards of the school, college, or program.

(6) Other departments or units of the university have proceedings separate and distinct from this conduct code. For example:

(a) Campus parking and traffic regulations are under the general jurisdiction of the transportation services department and the police department at the University of Washington Seattle campus and under the jurisdiction of public safety officers at the University of Washington Bothell and Tacoma campuses. See chapters 478-116, 478-117 and 478-118 WAC.

(b) The library fines appeals committee has the authority to consider appeals of library charges. See chapter 478-168 WAC.

(7) Nothing in this conduct code will be construed to deny students their legally and/or constitutionally protected rights.
478-120-020 Standards of conduct.

(1) The university is a public institution having special responsibility for providing instruction in higher education, for advancing knowledge through scholarship and research, and for providing related services to the community. As a center of learning, the university also has the obligation to maintain conditions conducive to freedom of inquiry and expression to the maximum degree compatible with the orderly conduct of its functions. For these purposes, the university is governed by the rules, regulations, procedures, policies, and standards of conduct that safeguard its functions and protect the rights and freedoms of all members of the academic community.

(2) Admission to the university carries with it the presumption that students will conduct themselves as responsible members of the academic community. As a condition of enrollment, all students assume responsibility to observe standards of conduct that will contribute to the pursuit of academic goals and to the welfare of the university community. That responsibility includes, but is not limited to:

- Practicing high standards of academic and professional honesty and integrity;
- Respecting the rights, privileges, and property of others members of the academic community and visitors to the campus, and refraining from any conduct that would interfere with university functions or endanger the health, welfare, or safety of other persons;
- Refraining from any conduct that would substantially disrupt or materially interfere with university operations;
- Refraining from any conduct that would cause harm to or endanger the health, safety, or welfare of other persons; and
- Complying with the rules, regulations, procedures, policies, standards of conduct, and orders of the university and its schools, colleges, and departments units and programs.

(2) The disciplinary sanctions specified in WAC 478-120-040 may be imposed on any student or student organization found to have committed, to have assisted with the commission of, or to have attempted to commit any act of misconduct that is in violation of the general standards of conduct in subsection 1 of this section, or any of the prohibited conduct specified in WAC 478-120-024.

(3) Specific instances of misconduct include, but are not limited to:

- Conduct that intentionally and substantially obstructs or disrupts teaching or freedom of movement or other lawful activities on university premises or in connection with any university-sponsored event or activity and is not constitutionally and/or legally protected;
- Physical abuse of any person, or conduct intended to threaten imminent bodily harm or to endanger the health or safety of any person on university premises;
- Conduct on university premises constituting a sexual offense, whether forcible or nonforcible, such as rape, sexual assault, or sexual harassment;
- Malicious damage to or malicious misuse of university property, or the property of any person where such property is located on university premises;
- Refusal to comply with any lawful order to leave university premises or any portion thereof;
- Possession or use of firearms, explosives, dangerous chemicals or other dangerous weapons or instrumentalities on university premises, except for authorized university purposes, unless prior written approval has been obtained from the university chief of police, or any other person designated by the president of the university (see WAC 478-124-020 (2)(e)) (legal defense sprays are not covered by this section);
- The possession, use, distribution, or manufacture of controlled substances (as defined in chapter 69.50 RCW or Title 21 U.S.C. Sec. 802), or of alcohol, on university premises or during university-sponsored activities, where such possession, use, distribution, or manufacture is illegal under federal, state, or local law;
- Intentionally inciting others to engage immediately in any unlawful activity, which incitement leads directly to such conduct on university premises;
- Hazing, or conspiracy to engage in hazing, which includes:
  - Any method of initiation into a student organization or living group, or any pastime or amusement engaged in with respect to such an organization or living group, that causes, or is likely to cause, bodily danger or physical harm, or serious mental or emotional harm, to any student or other person attending the university; and
(ii) Conduct associated with initiation into a student organization or living group, or any pastime or amusement engaged in with respect to an organization or living group not amounting to a violation of (i)(i) of this subsection, but including such conduct as humiliation by ritual act and sleep deprivation. Consent is no defense to hazing. Hazing does not include customary athletic events or other similar contests or competitions;

(j) Falsely reporting a violation of the student conduct code.

(4) Disciplinary action may be taken in accord with this chapter regardless of whether that conduct also involves an alleged or proven violation of law.

(5) An instructor has the authority to exclude a student from any class session in which the student is disorderly or disruptive. If the student persists in the disorderly or disruptive conduct, the instructor should report the matter to the dean of the school or college, or, at the University of Washington Bothell and Tacoma campuses, to the dean or director of the program in which the student is enrolled. (See WAC 478-120-030(3).)

(6) Nothing herein shall be construed to deny students their legally and/or constitutionally protected rights.

(a) The existence of such a relationship shall be determined based on the reporting party’s statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.

      (A) Past consent does not imply future consent.
      (B) Consent given to one person does not imply consent given to another person.
      (C) Consent to one sexual act does not imply consent to other sexual acts.
      (D) Lack of resistance to sexual contact does not imply consent.
      (E) Consent can be withdrawn at any time.
   (ii) Consent cannot be given or granted by a person who, at the relevant time, cannot understand the facts, nature, extent, or implications of the sexual contact for any reason, including, but not limited to, being asleep, unconscious, mentally or physically impaired due to an intellectual or other disability, or mentally or physically incapacitated due to the effects of drugs or alcohol.
      (A) Indicators that a person may be incapacitated by drugs or alcohol and therefore, cannot grant consent, include, but are not limited to: stumbling, falling down, an inability to stand or walk on their own, slurred speech or incoherent communication, an inability to focus their eyes or confusion about what is happening around them, passing out, or vomiting.
      (B) A failure to exhibit any of these behaviors does not necessarily mean that a person is capable of giving consent or is not incapacitated.
(d) Sexual contact is not consensual when force or coercion is threatened or used to gain acquiescence.
   (i) Force includes the use of physical violence, physical force, threats, or intimidation to overcome resistance or gain agreement to sexual contact.
   (ii) Coercion includes using pressure, deception, or manipulation to cause someone to agree to sexual contact against that person’s will, without the use of physical force. Pressure can mean verbal or emotional pressure.

Stalking

(a) Stalking means engaging in a course of conduct directed at a specific person that would cause a reasonable person to—

(i) Fear for the person's safety or the safety of others; or

Violation of law – Any conduct that would constitute a violation of any federal, state, or local criminal law may be the subject of disciplinary proceedings under this conduct code.

478-120-025 Off-campus conduct.

The university shall have the authority to hold students accountable under the student conduct code for certain off-campus behavior (i.e., behavior that does not occur on university premises or in the context of a university-sponsored event or activity) that directly affects a university interest, in accordance with the provisions of the section.

(1) A student may be subject to disciplinary proceedings under the student conduct code if:

(a) The university is made aware that a court of competent jurisdiction has determined that such student has engaged in intentional unlawful conduct off-campus that involves the physical harm or abuse, or a direct threat of the physical harm or abuse, of any person, including but not limited to homicide, assault, kidnapping, armed robbery, arson, rape or sexual assault, criminal harassment, criminal stalking or the unlawful possession, use, storage or manufacture of weapons or destructive devices; and

(b) The university determines that a significant university interest is affected.

(2) A student may also be subject to disciplinary proceedings under the student conduct code if the university is made aware that the student has engaged in off-campus conduct that involves the physical harm or abuse, or the direct threat of physical harm or abuse, of another university student, or a university faculty or staff member. Disciplinary proceedings may be initiated under this section regardless of whether or not the incident is subject to criminal or civil proceedings.

(3) In furtherance of the university's interest in maintaining a positive relationship with its surrounding community, the university shall also have the authority to hold students accountable under the student conduct code for conduct within the "North of 45th" residential community immediately adjacent to the Seattle campus (bounded by NE 45th Street on the south, 15th Ave NE on the west, 22nd Ave NE and north of 54th Street, Ravenna Ave NE on the east and Ravenna Park on the north and including all residences located on either side of each of the aforementioned streets) as follows:

(a) A student may be subject to disciplinary proceedings under the code if the university is made aware that the student has been cited by the Seattle police or the university police for, and is determined to have committed, a violation of any state statute or city of Seattle municipal ordinance prohibiting misconduct that has a direct and significant quality-of-life impact on community residents, including but not limited to, creating a public nuisance due to noise, theft, intentional destruction of property, urinating in public, or criminal trespass.

(b) A first violation under (a) of this subsection will not subject the student to disciplinary sanctions under WAC 478-120-040 if the student voluntarily meets with a representative of the office of the vice-president for student life to receive information and counseling regarding his or her responsibilities as a university community member and as a resident in the area. A second violation will not be subject to disciplinary sanctions if the student involved agrees to participate, in good faith, in a mediation with the person or persons affected by the misconduct under a mediation protocol established by the office of the vice-president for student life.

(4) Nothing herein shall be construed as being intended to protect any person or class of persons from injury or harm, or construed to deny students their legally and/or constitutionally protected rights.

478-120-026 Reporting violations of the student conduct code and initiating conduct proceedings.

(1) Persons who believe that a violation of this conduct code has been committed may contact and make a report to the vice president for student life at UW Seattle, or the chancellors of UW Bothell or Tacoma, or their authorized delegates, which includes the director of community standards and student conduct at UW Seattle, the dean of student affairs at UW Bothell and the dean of student engagement at UW Tacoma.

(2) Violations involving academic misconduct should be reported to the dean of the appropriate school or college at the University of Washington Seattle, or the dean or program director at the University of Washington Bothell and Tacoma, or their authorized delegates.
(3) Only the following university officials may initiate disciplinary action under this conduct code:

(a) The vice president for student life at UW Seattle;
(b) The chancellors at UW Bothell and Tacoma;
(c) Deans of a school or college (including the graduate school) at UW Seattle; and
(d) Deans or directors of any school or program at UW Bothell or Tacoma.

The above named university officials may delegate the authority to initiate disciplinary proceedings to members of their respective staffs and to students. They may also establish student or student-faculty-staff hearing bodies to advise or to act for them in disciplinary matters.

(4) The university may hold the granting or conferral of a respondent’s degree if the respondent is the subject of a preliminary investigation or other disciplinary proceedings under this conduct code until at least the conclusion of all disciplinary proceedings.

478-120-030 General procedures for disciplinary sanctions.

(1) This section describes the general process under the student conduct code for enforcing the university's rules, regulations, procedures, policies, standards of conduct, and orders. The specific procedures to be used at each step of the process are described in the following sections of this chapter. In all situations, whether handled formally or informally, basic standards of fairness will be observed in the determination of:

(a) The truth or falsity of the charges against the student;
(b) Whether the alleged misconduct violates this code; and if so,
(e) The sanctions to be imposed, if any.

The criteria for judging student misconduct shall include, but not be limited to, the standards of conduct as stated in WAC 478-120-020 and 478-120-025 this conduct code. Informal hearings and hearings before the university disciplinary committees shall be conducted as brief adjudicative proceedings under chapter 34.05 RCW governing brief adjudicative proceedings. Formal hearings conducted by the faculty appeal board shall follow the procedures required by chapter 34.05 RCW for formal adjudicative proceedings. Informal settlements may be conducted under the authority of RCW 34.05.060.

(2) Persons who believe that a violation of the student conduct code has been committed should contact the vice-president for student life at the University of Washington Seattle campus, or the chancellor of the University of Washington Bothell or Tacoma campuses, whichever is appropriate.

(3) Only the vice-president for student life, the dean of the school or college at the University of Washington Seattle or, at the University of Washington Bothell and Tacoma campuses, the dean or director of the program in which a student is enrolled or the chancellors of the University of Washington Bothell and Tacoma campuses, may initiate disciplinary proceedings against a student under this code of conduct. (See WAC 478-120-050.) The deans, the vice-president for student life, or the chancellors of the University of Washington Bothell and Tacoma campuses may delegate the authority to initiate disciplinary proceedings consistent with this chapter to members of their staffs and to students. They may also establish student or studentfaculty hearing bodies to advise or to act for them in disciplinary matters. The person initiating a disciplinary proceeding shall be referred to as the initiating officer.

(4)(4) The initiating conduct officer will begin a disciplinary proceeding by holding, or directing a member of his or her staff to hold, an informal hearing with the respondent student charged with misconduct consistent with WAC 478-120-065. Based on this informal disciplinary hearing, the conduct initiating officer may choose to exonerate the respondent, dismiss the action, impose an appropriate sanction, and/or refer the matter to the appropriate university disciplinary committee. (See WAC 478-120-065.) If the conduct initiating officer identifies a potential or existing exceptional circumstance, as defined in WAC 478-120-100 (3)(b)(i), "Exceptional circumstances exist when:
(A) The sanction of dismissal has been recommended; or
(B) The student has been charged with hazing; or
(C) The sanction of restitution (in excess of three hundred dollars) has been recommended; or
(D) Suspension has been recommended, the matter shall be referred directly to the faculty appeal board. (See WAC 478-120-100.)

(3)(5) In cases not involving an allegation of sexual misconduct, respondents have the right to appeal any sanction imposed at an informal hearing to the appropriate university disciplinary committee, except that when such sanction identifies an existing or potential exceptional circumstance as defined in WAC 478-120-100 (3)(b)(i), the matter shall be referred directly to the faculty appeal board. Appeal rights in cases involving an allegation of sexual misconduct are provided for in WAC 478-120-137.

(4)(6) Any decisions of the university disciplinary committees may be appealed to the faculty appeal board. All decisions of the university disciplinary committees identifying existing or potential exceptional circumstances as defined in WAC 478-120-100 (3)(b)(i) shall be referred directly to the faculty appeal board. In addition, the university disciplinary committees may, at any time, at their discretion, refer a matter directly to the faculty appeal board consistent with WAC 478-120-095. The faculty appeal board performs distinct functions. In most cases, the faculty appeal board conducts an administrative review. In certain cases (defined as described in WAC 478-120-100(3) and WAC 478-120-115(1)), the faculty appeal board conducts a formal hearing.

(5)(7) Any decision based on a formal hearing conducted by the faculty appeal board may be appealed to the president of the university or the president's delegate for a final review. All orders of dismissal shall be reviewed by the president or the president's delegate. Orders entered by the president or the president's delegate are final. (See WAC 478-120-125.)

(6)(8) The president or delegate, or chancellors or their delegates, may take emergency disciplinary action when a student's conduct threatens the health, welfare, or safety of the university community or members thereof or poses an ongoing threat of substantially disrupting or materially interfering with university activities or operations. (See WAC 478-120-140.)

(9) When questions of mental or physical health are raised in conduct cases, the dean, the vice-president for student life, the chancellors of the University of Washington Bothell and Tacoma campuses, or their delegates, the university disciplinary committees, or the faculty appeal board may request the student to appear for examination before two physician-consultants designated by the dean of the school of medicine. The physician-consultants may call upon the student health center for any other professional assistance they deem necessary. After examining the student and/or consulting with the student's personal physician, the physician-consultants shall make a recommendation to the dean, the vice-president for student life, the chancellor of the University of Washington Bothell or Tacoma campuses, whichever is appropriate, or their delegates, the appropriate university disciplinary committee, or the faculty appeal board as to whether the case should be handled as a disciplinary matter or as a case for medical or other treatment. Any decision made based upon the recommendation of the physician-consultants may be appealed in accordance with the provisions of this chapter.

(7)(10) The following persons conducting proceedings under this chapter shall have the authority to issue protective orders and subpoenas: the deans, or at the University of Washington Bothell and Tacoma campuses, the dean or director of the program in which the student is enrolled, the vice-president for student life, the chancellors of the University of Washington Bothell and Tacoma campuses, or the chairs of their respective university disciplinary committees, the chair of the faculty appeal board, and the president or his or her delegate.

(8)(11) In a case involving an alleged allegation of sexual misconduct offense, the complainant and the respondent are entitled to the same opportunities to have others present during a disciplinary hearing and they shall both be informed of the outcome of such disciplinary proceeding.

(9)(12) Any final order resulting from a disciplinary proceeding shall become a part of the respondent's student discipline record, unless the student is exonerated and be maintained in accordance with. (See WAC 478-120-145.)

(10)(13) In accord with the Family Educational Rights and Privacy Act FERPA and pursuant to RCW 34.05.250, all hearings conducted under this chapter generally will be held in closed session out of respect for the privacy of all the students involved. However, the students involved may waive in writing this requirement.
and request a hearing in open session, and the conduct officer initiating or presiding officer shall conduct
the hearing in a room that will accommodate a reasonable number of observers. The conduct officer
initiating or presiding officer may exclude from the hearing room any persons who are disruptive of the
proceedings and may limit the number who may attend the hearing in order to afford safety and comfort to
the participants and orderliness to the proceedings. To ensure the privacy of all students involved, no
cameras or recording devices shall be permitted except for the official recording by the university.

478-120-032 Participation of advisors and attorneys.

Any party and, in any case involving an allegation of sexual misconduct, a complainant, may, at their own
expense, be accompanied by an advisor and/or an attorney to any proceeding conducted under this conduct
code. Persons admitted to practice law in the State of Washington may advise, but may not participate in an
informal hearing and in a hearing before a university disciplinary committee, and may represent a party at a
hearing before the faculty appeal board. The chair of a university disciplinary committee or the faculty appeal
board or a conduct officer in an informal hearing has the discretion to impose reasonable conditions upon the
participation of an advisor and/or an attorney.

478-120-034 Service of notices and orders and time limits.

(1) Service of all university notices of hearing, initial orders, final orders, and orders on reconsideration shall be
by electronic mail addressed to the respondent’s, and in any case involving an allegation of sexual
misconduct, the complainant’s university-issued email address, or such alternative email address as may
have been provided to the university in writing. Service by electronic mail is complete at the moment the
email is sent to such address. In the alternative, service of university notices of hearing, initial orders, final
orders, and orders on reconsideration may also be accomplished by personal service or by posting it in the
United States mail, properly addressed, and postage prepaid. Service by mail is complete upon deposit in
the U.S. mail.

(2) Students have an ongoing obligation to update their address via MyUW.

(3) The time limits for appealing an initial order shall be determined based upon the date of service of the initial
order. The time limit for seeking judicial review of a final order shall be determined based upon the date of
service of the final order, except as otherwise provided in this chapter.

(4) In computing any period of time under this conduct code, the day of service of any order, notice, or other
document is not counted. The last day of the applicable period of time is counted. If the last day of the
applicable period of time falls on a Saturday, Sunday, or official state holiday (which includes the day after
Thanksgiving), the period ends on the next business day.

478-120-036 Standard and burden of proof.

The applicable standard of proof in all disciplinary hearings is the “preponderance of evidence” standard. This
means that, in order for a respondent to be held responsible for a violation of this conduct code, the conduct
officer, the university disciplinary committee, or the faculty appeal board must conclude, based on all of the
evidence in the record, that it is more likely than not that the respondent engaged in an act or acts of misconduct.
The burden of proof in a hearing before a university disciplinary committee or the faculty appeal board rests with
the party seeking to establish that the violation occurred.

478-120-038 Interim Measures.

(1) After receiving a report of alleged sexual misconduct or other serious misconduct, the university may
implement interim measures which may include, but are not limited to:

(a) A no-contact order prohibiting direct or indirect contact, by any means, with a complainant, a
respondent, a reporting student, other specified persons, and/or a specific student organization;

(b) Reassignment of on-campus housing; or

(c) Changes to class schedules, assignments, or tests schedules.
(2) Interim measures will remain in place until lifted or modified by the university official who implemented the interim measures.

(3) Implementation of any interim measure does not assume any determination of, or create any presumption regarding responsibility for, a violation under this conduct code.

478-120-040 Disciplinary sanctions.

(1) One or more of the following disciplinary sanctions may be imposed for any violations of the student conduct code:

(a) Disciplinary warnings and reprimands - Action may be taken to warn or to reprimand a student for violation of university rules, regulations, procedures, policies, standards of conduct, or orders. Warnings and a reprimand must be issued in writing and shall include a statement that continuation or repetition of the specific conduct or other misconduct may result in will normally result in one or more of the more serious additional disciplinary sanctions. Restitution, disciplinary probation, suspension, or dismissal.

(b) Restitution - An individual student may be required to make restitution for damage or other loss of property and for injury to persons. Failure to pay, or to make in writing university-approved arrangements to pay, will result in a hold being placed on the student’s registration and will prevent the student from registering at the university.

(c) Disciplinary probation - A student may be placed on disciplinary probation (meaning formal conditions are imposed on the student's continued attendance) for violation of university rules, regulations, procedures, standards of conduct, or orders. The time period and conditions, if any, for the disciplinary probation and any conditions shall be specified. Disciplinary probation serves as a warning to a student that further misconduct will raise the question of suspension or dismissal from the university. Failure to fulfill conditions of the disciplinary probation in a timely manner will extend the probationary period and may result in additional disciplinary sanctions, including possible suspension or dismissal.

(d) Loss of privileges - A student may be denied specified privileges for a designated period of time such as the privilege to participate in a particular campus activity and may be restricted from any or all university premises based on the misconduct for a specific duration.

(e) Suspension - A student may be suspended (i.e., temporarily separated) from the university for a specified period of time violation of university rules, regulations, procedures, policies, standards of conduct, or orders. The time period and conditions, if any, for the suspension may be imposed and shall be specified. Except as otherwise specified in the disciplinary order, all conditions must be fulfilled before the end of the suspension period. Failure to fulfill all conditions of suspension in a timely manner will extend the suspension period and any conditions, and may result in additional disciplinary sanctions. Suspension serves as a warning that further misconduct will raise the question of dismissal from the university. The university may place a hold on a suspended student’s registration and may withhold the conferral of the student’s degree, during the suspension period.

(f) Dismissal - A student’s enrollment may be dismissed (i.e., permanently separated) from the university may be terminated for violation of university rules, regulations, procedures, policies, standards of conduct, or orders.

(g) Forfeiture Sanctions for hazing - In addition to other sanctions, a student who participates in hazing of another shall forfeit any entitlement to state funded grants, scholarships, or awards for a specified period of time.

(2) In determining an appropriate sanction for a violation of this conduct code, the seriousness of the misconduct, the impact on the university community, and a respondent's past disciplinary record will be considered. The use of alcohol or drugs by a respondent will not be considered a mitigating factor in imposing discipline.
(3) If a respondent withdraws from the university (or fails to reenroll) before completing a sanction, the sanction
must be completed prior to or upon the respondent's reenrollment, depending on the nature of the sanction.
Completion of disciplinary sanctions may be considered in applications for readmission to the university.

478-120-050 Jurisdiction.

(1) The vice-president for student life, the chancellors of the University of Washington Bothell and Tacoma
campuses, or their delegates, may initiate any disciplinary action related to violations of any of the
university's rules, regulations, procedures, policies, standards of conduct, or orders. Jurisdiction in such
cases may be transferred to the dean of the school or college, or at the University of Washington Bothell
and Tacoma campuses, to the dean or director of the program in which the student is enrolled if the alleged
misconduct bears upon the student's fitness to continue in the school or college.

(2) Additionally, the dean of each college or school, including the graduate school, or the dean's delegate, or
the dean or director of programs in which the student is enrolled on the University of Washington Bothell or
Tacoma campuses may initiate any disciplinary action:
(a) Related to violations of university rules, regulations, procedures, policies, standards of conduct, and
orders which pertain to that particular campus, college or school, or at the University of Washington
Bothell and Tacoma campuses, the program in which the student is enrolled; and
(b) Related to violations of rules, procedures, policies, and standards of conduct of that particular
campus, college or school, or at the University of Washington Bothell and Tacoma campuses, the
program in which the student is enrolled. The student academic grievance procedure is a separate
procedure and is set forth in the Executive Order No. 58 (graduate school students should also refer
to Graduate School Memorandum No. 33). Violations involving academic misconduct should be
reported to the dean of the appropriate school or college, or dean or program director at the
University of Washington Bothell or Tacoma campuses.

(3) Other departments of the university have proceedings separate and distinct from the student conduct code.
For example:
(a) Campus parking and traffic regulations are under the general jurisdiction of the transportation
services department and the police department at the University of Washington Seattle campus and
under the jurisdiction of public safety officers at the University of Washington Bothell and Tacoma
campuses. (See chapters 478-116, 478-117 and 478-118 WAC.)
(b) The library fines appeals committee has the authority to consider appeals of library charges. (See
chapter 478-168 WAC.)

478-120-065 Informal disciplinary hearings.

(1) A dean, the vice-president for student life, or, at the University of Washington Bothell and Tacoma
campuses, the chancellors or the dean or director of the program in which the student is enrolled, or their
delegates, may initiate a disciplinary proceeding by conducting, or directing a member of his or her staff to
conduct, an informal hearing with the student accused of misconduct respondent. This informal disciplinary
hearing may be nothing more than a face-to-face meeting between the conduct initiating officer or staff
person and the respondent student, and no special notice of the meeting is required. The purpose of this
informal disciplinary hearing is to provide an opportunity for the respondent student to respond to
allegations of misconduct before disciplinary action is taken, and the respondent student waives any
rights to an informal hearing by his or her failure to attend and the conduct officer may place a hold on a
respondent's registration and/or transcript, or make a decision and issue an initial order without the input of
the respondent.

(2) During an informal disciplinary hearing, the student respondent must be provided with the following
information:
(a) An explanation of the student conduct process;
(b) The alleged misconduct; and the reasons for the university's belief that the student engaged in the
misconduct;
(cb) The specific section(s) of the student conduct code allegedly violated; and
(dc) The possible sanctions that may be imposed.

(3) Following the informal disciplinary hearing, the conduct officer may conduct further investigation, including but not limited to, additional interviews of the complainant, the respondent, and any witnesses.

(4) Based on the findings of the informal hearing and any further investigation, the conduct initiating officer shall enter in writing one of the following orders:

(a) An order exonerating the respondent student, or dismissing the disciplinary proceeding if it appears that there has been no misconduct, or finding that a preponderance of the evidence does not establish a violation of this conduct code;

(b) An initial order (subject to appeal and/or review as provided by this conduct code), imposing one or more of the disciplinary sanctions specified in WAC 478-120-040;

(c) An order referring the matter to the appropriate university disciplinary committee; and/or

(d) An order referring the matter directly to the faculty appeal board because exceptional circumstances as defined in WAC 478-120-100 (3)(b)(i) may exist.

(5) (a) If the initial order imposes a sanction and exceptional circumstances as defined in WAC 478-120-100 (3)(b)(i) exist, the matter shall be referred directly to the faculty appeal board and the respondent student and in any case involving an allegation of sexual misconduct, a complainant, shall be informed that he or she has the right to request a formal hearing according to the procedures set forth in WAC 478-120-075(3). Supplemental procedures applicable to cases involving an allegation of sexual misconduct are set forth in WAC 478-120-137.

(b) If the initial order imposes a sanction, but exceptional circumstances do not exist and the case does not involve an allegation of sexual misconduct, then the respondent student shall be informed that he or she has twenty-one calendar days from the date of service of the initial order (or twenty-five calendar days from the date of the mailing of the initial order) to request a hearing before the appropriate university disciplinary committee. If the respondent student chooses not to appeal, the order becomes the final order.

(6) Within ten days of the conclusion of the conduct officer’s hearing and any associated investigations, the respondent student and in any case involving an allegation of sexual misconduct, the complainant, shall be provided with a written order which shall include a statement of the decision, the reasons for the decision, and information about appealing the decision. No unfavorable action may be taken against the respondent student until the respondent student has been given such notice and information. In a case involving an alleged sexual offense, both the accuser and the accused shall be informed of the outcome of the hearing. In a case where the respondent student is a minor, the disciplinary sanctions imposed may be reported to the respondent’s student’s parents or legal guardian at the discretion of the conduct initiating officer.

(7) A student may request a hearing by the appropriate university disciplinary committee at any time during these informal proceedings. If such a request is made, the matter shall be referred to the appropriate university disciplinary committee.

(7)(8) The official record of this informal hearing shall consist of all documents prepared or considered by the dean, the vice-president for student life, or, at the University of Washington Bothell and Tacoma campuses, the chancellors, or the dean or director of the program in which the student respondent is enrolled, or their delegates, with regard to the dispute at hand.

478-120-075 – Appeals.

Any initial order may be appealed by timely submission of a written petition to the appropriate body. An order only referring a matter from one hearing body to another, not determining the matter on its merits, is not an initial order.

(1) If a student does not appeal is filed to with the appropriate body within twenty-one days of service of the initial order or within twenty-five calendar days of the date when the university mailed the initial order to the
student), the right to appeal is waived and the order becomes final, except that any initial order imposing the sanction of dismissal shall be subject to review in accordance with WAC 478-120-125.

(a) All initial orders shall be hand delivered or delivered by mail.

(b) Any student involved in a disciplinary hearing is required to provide his or her current and accurate address to the office of the vice-president for student life or the office of the chancellor for the University of Washington Bothell or Tacoma campuses, whichever is appropriate, or their delegates.

(2) All petitions for appeal must be made in writing to the appropriate authority (the appropriate chair of one of the university disciplinary committees (Seattle, Bothell or Tacoma), the chair of the faculty appeal board, or the president). The petition must state the reasons for the appeal and indicate points of disagreement with the initial order.

(3) If a student wishes to request a formal hearing before the faculty appeal board, the student's written petition for appeal must also state that a formal hearing is being requested and must identify the specific exceptional circumstances (as defined in WAC 478-120-100 (3)(b)(i)) warranting such a hearing. When conducting administrative reviews of initial orders informal hearing, the faculty appeal board shall make any inquiries necessary to ascertain whether the proceeding must be converted to a formal disciplinary hearing.

(4) Additional provisions regarding appeals in cases involving an allegation of sexual misconduct are set forth in WAC 478-120-137.

(45) After conducting the appropriate review, the appeal body or the president may sustain, reduce, or vacate the sanction imposed by the initial order, except if that review is in the form of a formal hearing before the faculty appeal board, that board may increase any sanction.

(6) Review by the president or the president's delegate shall be conducted in accordance with WAC 478-120-125.

(57) Only the president or the president's delegate may issue a final order of dismissal.

(68) Sanctions, if any, will be imposed only after an order becomes final, except for actions taken under WAC 478-120-140.

478-120-085 The university disciplinary committees.

Each University of Washington campus shall have its own university disciplinary committee. The university disciplinary committees shall consist of a nonvoting chair, at least three voting faculty members, and at least three voting student members. The committees shall be maintained for the purpose of providing hearings for disciplinary actions that have been initiated by the deans or, at the University of Washington Bothell and Tacoma campuses, the dean or director of the program in which a respondent student is enrolled, the vice-president for student life at the University of Washington Seattle campus, the chancellors of the University of Washington Bothell and Tacoma campuses, or their delegates.

(1) The president of the University of Washington Seattle campus and the chancellors of the University of Washington Bothell and Tacoma campuses shall designate a member of the faculty or administration to serve as chair of each respective university disciplinary committee for a term of one year. All chairs may be reappointed for consecutive terms.

(a) The chairs shall ensure that all procedural safeguards and guidelines are followed. Accordingly, the chairs shall decide all procedural questions that arise in relation to hearings, including rulings on evidence (as defined in WAC 478-120-095(3)) and challenges to the impartiality of committee members. The chairs shall have the discretion to regulate all aspects of the proceedings.

(b) The chairs shall take whatever steps are necessary to ensure that hearings are conducted in a safe and orderly manner.

(2) The three voting faculty members of each university disciplinary committee shall be selected at random from by the faculty senate at the University of Washington Seattle, or at the University of Washington
Bothell and Tacoma campuses, their respective faculty assembly or organization to serve one-year terms. Voting faculty members may not be reappointed to consecutive terms.

(a) Panels of eligible faculty members shall be randomly selected to serve on the committees in the order in which they were selected, except that at the University of Washington Seattle each faculty member of the committees must represent a different faculty senate group.

(b) Faculty members must have been members of the faculty for at least one year and hold the position of assistant professor or higher in order to be eligible to serve as voting members of the university disciplinary committees.

478-120-095 Hearing before the university disciplinary committees.

The purpose of a hearing before a university disciplinary committee is to provide all parties with an opportunity to present evidence and argument before disciplinary sanctions are imposed on a respondent student. A university disciplinary committee may not hear any cases involving an allegation of sexual misconduct. Based on the evidence presented at this hearing, the committee shall determine whether the respondent student has engaged in the alleged misconduct. If there is a finding of misconduct, the committee shall then determine the appropriate sanction to be imposed.

(1) When a hearing is scheduled before a university disciplinary committee, the chair of the appropriate committee shall provide the respondent student with written notice of the following information:
(a) The time and place of the hearing;
(b) The allegation(s) of misconduct against the respondent student;
(c) A list of all witnesses who may be called to testify;
(d) A description of all documentary and real evidence to be presented at the hearing, including a copy of the respondent's disciplinary file; and
(e) The sanctions that may be imposed at the hearing if the allegations of misconduct are found to be true.

(2) The chair of each committee shall adhere to the following procedures at all disciplinary hearings:

(a) The respondent student shall be provided with a reasonable opportunity (at least seven days) to gather evidence, contact witnesses, and prepare a defense for the hearing.
(b) The respondent student may be accompanied by an advisor and/or an attorney of the respondent student's choice.
(c) The respondent student is entitled to hear all testimony and examine all evidence that is presented at the hearing. In response, the respondent student may present evidence and witnesses on his or her own behalf and may ask questions of any other witnesses.
(d) No respondent student shall be compelled to give self-incriminating evidence.

(3) Evidence shall be admissible at the hearing if it is the type of evidence that reasonably prudent members of the university community would rely upon in the conduct of their affairs.

The committee shall base its factual determination solely on the evidence presented at the hearing.

(a) Decisions of the university disciplinary committee will be made based on a simple majority vote of the committees.
(b) If a university disciplinary committee cannot reach a decision by simple majority vote, an order shall be entered referring the matter to the faculty appeal board. In cases where the faculty appeal board determines that exceptional circumstances may exist, the respondent student shall be notified of the right to request a formal hearing. Otherwise, the faculty appeal board shall make a decision based upon its review of the record of the hearing before the university disciplinary committee conduct an administrative review as provided under WAC 478-120-100 (1) and (2).

(5) If at any time after a matter has been referred to a university disciplinary committee the appropriate chair determines that the matter should properly be before the faculty appeal board, the chair may refer the matter to the faculty appeal board and shall provide the student respondent with written notice of the referral and of the opportunity to request a formal hearing if exceptional circumstances exist. (See WAC 478-120-100 (3)(b)(i).) Any case involving an allegation of sexual misconduct shall be referred to the faculty appeal board.

When determining the appropriate sanction, the committee shall consider the factors listed in WAC 478-120-040(2) review the evidence presented at the hearing and the student's past record at the university.

(7) The chair of the appropriate university disciplinary committee shall provide the student respondent with a written statement of the committee's decision within ten days of the conclusion of the hearing. This written statement shall include the committee's factual findings, the conclusions that have been drawn from those findings, the reasons for those conclusions, and the sanctions, if any, to be imposed. If sanctions are imposed, the student respondent must also be informed of the appropriate procedures for appealing the committee's decision to the faculty appeal board. In a case involving an alleged sexual offense, both the accuser and the accused shall be informed of the outcome of the hearing. In a case where the respondent
student is a minor, the written statement of the committee's decision may be reported to the respondent's
parents or legal guardian at the discretion of the chair of the appropriate university disciplinary
committee.

(8) This written statement of the committee's decision shall be the committee's initial order. If the student
chooses not to appeal is filed, the initial order of the appropriate university disciplinary committee
becomes the final order at the end of the appeal period set forth in WAC 478-120-075(1) except that orders
of dismissal shall be referred to the president.

(9) A respondent may choose to present evidence to the chair of the appropriate university
disciplinary committee rather than at a hearing before the full committee. The respondent's waiver

the full committee and the committee will make its decision based on the chair's report.

(10) All proceedings of the committees will be conducted with reasonable dispatch and be terminated as soon as

and any other documents related to the hearing.

(12) A report of a university disciplinary committee shall, upon written request and release by the student or
students involved, and subject to the requirements of the Family Educational Rights and Privacy Act, be

For the purposes of this section, “complainant” means a student or another member of the University community who believes that an act of sexual misconduct has been committed against him or her in violation of this conduct code.

(b) Either a complainant or the accused student respondent may appeal such initial order to the faculty appeal board in accordance with WAC 478-120-075 of this conduct code, and both the accused student respondent and any complainant shall receive notice of any appeal and notice of any hearing before the faculty appeal board. An initial order by a conduct officer in a case involving an allegation of sexual misconduct may be subject to review by the faculty appeal board as follows:

(i) **Initial order imposes sanction and exceptional circumstances exist** - If the initial order imposes a sanction and exceptional circumstances as defined in WAC 478-120-100(3)(b)(i) exist, the matter shall be referred directly to the faculty appeal board and both the respondent and any complainant shall each have twenty-one (21) calendar days from the date of service of the initial order to request a formal hearing according to the procedures set forth in WAC 478-120-075(3). (The respondent and any complainant shall be informed that the faculty appeal board may increase a sanction imposed in an initial order only if a formal hearing is held.) If no timely request for a formal hearing is submitted, the faculty appeal board shall conduct administrative review in accordance with WAC 478-120-105.

(ii) **Initial order imposes sanction, but no exceptional circumstances exist** - If the initial order imposes a sanction and exceptional circumstances as defined in WAC 478-120-100(3)(b)(ii) do not exist, the respondent and any complainant shall each have twenty-one (21) calendar days from the date of service of the initial order to submit an appeal to the faculty appeal board. If a timely appeal is submitted by either the respondent or any complainant, the faculty appeal board shall conduct a formal hearing in accordance with this conduct code. If no timely appeal is submitted by either the respondent or any complainant, all rights of appeal are waived and the order becomes the final order.

(iii) **Initial order does not impose a sanction** - If the initial order does not impose a sanction, any complainant shall have twenty-one (21) calendar days from the date of service of the initial order to submit an appeal to the faculty appeal board. (The respondent shall be informed that the complainant has this right, and that such initial order shall not become final at least until the period for any complainant to submit an appeal has elapsed.) If a timely appeal is submitted by any complainant, the faculty appeal board shall conduct a formal hearing in accordance with this conduct code. If no timely appeal is submitted, all rights of appeal are waived and the order becomes the final order.

Any appeal petition must state the reasons for the appeal. Any appeal petition must be submitted to the faculty appeal board and to the conduct officer, who will promptly provide a copy of the appeal to any other party.

(c) If a timely appeal of an initial order issued by the initiating officer is submitted and a request for a formal hearing is made, the faculty appeal board shall conduct a formal hearing held by the faculty appeal board in a case involving an allegation of sexual misconduct, such hearing shall be conducted in accordance with WAC 478-120-100 and WAC 478-120-115 and the following supplementary procedures shall also apply:

(i) Both the respondent and any complainant shall be provided with the notice of a formal hearing as specified in WAC 478-120-115(2), (3), and (4). Both the accused student respondent and any complainant will have the right to participate as a party in the hearing, including but not limited to the right to be represented by counsel an attorney and/or be accompanied by an advisor, to call witnesses, to cross-examine witnesses, and to submit documentary evidence. A complainant (with or without counsel an attorney and/or an advisor) may attend the formal hearing in its entirety, regardless of whether the complainant decides to participate as a party.
(ii) An accused student and the respondent and a complainant may not ask questions of each other directly, but may be allowed to submit written questions to the chair of the faculty appeal board, who will ask any relevant and appropriate questions submitted by these parties. The chair has the discretion to accept, reject, or rephrase any question submitted by the accused student respondent or a complainant.

(iii) At the discretion of the chair, and where the rights of the parties will not be prejudiced thereby, all or part of any formal hearing, including the testimony of witnesses, may be conducted by telephone, video, or other electronic means.

(iv) Both the accused student respondent and any complainant shall be concurrently served with all orders issued by the faculty appeal board.

(d) In any matter case involving an allegation of sexual misconduct, any complainant shall have the same rights as the accused student respondent to participate as a party in any administrative review under WAC 478-120-105, to appeal a faculty appeal board’s initial order to the president of the university under WAC 478-120-125, to participate as a party in any appeal to the president, and to seek reconsideration of a final order under WAC 478-120-135. In the event that a complainant timely appeals in a timely manner an initial order, such order shall not become final until that appeal is resolved. Any notices or orders issued by the president shall be concurrently served on the accused student respondent and any complainant(s), in addition to the conduct officer.

(e) Except as otherwise provided in this section, matters cases involving an allegation of sexual misconduct will be subject to all the other applicable provisions of this conduct code.

(4) For the purposes of this section, “sexual misconduct” includes sexual assault, sexual harassment, indecent exposure, sexual exploitation, stalking, domestic violence, and relationship violence, all as defined in subsections (5) through (11) of this section.

(5) For the purposes of this student conduct code “sexual assault” means any sexual contact with another person without (or that exceeds) that person’s consent.

(a) For the purposes of this definition, “sexual contact” includes:

(i) Any touching of another person for the purpose of sexual gratification; or
(ii) Any penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ, of another person.

(b) For the purposes of this definition, “consent” means that at the time of and throughout the sexual contact, there are actual words or conduct indicating freely given agreement between the parties to engage in the sexual contact. A determination of whether consent had been given in connection with an incident of sexual contact shall take into account the following:

(i) Past consent does not imply future consent;
(ii) Consent given to one person does not imply consent given to another person;
(iii) Consent to one sexual act does not imply consent to other sexual acts;
(iv) Lack of resistance to sexual contact does not imply consent;
(v) Consent can be withdrawn at any time.

(c) Consent cannot be given by a person who, at the relevant time, cannot understand the facts, nature, extent, or implications of the sexual contact for any reason, including, but not limited to, being asleep, unconscious, mentally or physically impaired due to an intellectual or other disability, or mentally or physically incapacitated due to the effects of drugs or alcohol. Indications that a person may be incapacitated by alcohol or drugs and therefore cannot grant consent include, but are not limited to, stumbling, falling down, an inability to stand or walk on their own, slurred speech or incoherent communication, an inability to focus their eyes or confusion about what is happening around them, blacking out, or vomiting. A failure to exhibit any of these behaviors does not necessarily mean that a person is capable of giving consent or is not incapacitated.

(d) Sexual contact is not consensual when force or coercion is threatened or used to gain acquiescence. Force includes the use of physical violence, physical force, threats, or intimidation to overcome resistance or gain agreement to sexual contact. Coercion includes using pressure, deception, or
manipulation to cause someone to agree to sexual contact against his or her will, without the use of physical force. Pressure can mean verbal or emotional pressure.

(e) Sexual assault also includes sexual contact with a person who is under the statutory age of consent in accordance with Chapter 9A.44 RCW.

(f) Use of alcohol or other drugs is not a valid defense to an allegation of sexual assault.

(6) For the purposes of this conduct code, “sexual harassment” means unwelcome language or conduct of a sexual nature that is sufficiently severe, persistent, or pervasive such that it could reasonably be expected to create an intimidating, hostile, or offensive environment, or has the purpose or effect of unreasonably interfering with a person’s academic or work performance or a person’s ability to participate in or benefit from the University’s programs, services, opportunities, or activities.

(7) For purposes of this conduct code, “indecent exposure” means the exposure of a person’s genitals or other private body parts when done in a place or manner in which such exposure is likely to cause affront or alarm, or is against generally accepted standards of decency. Breast feeding or expressing breast milk is not indecent exposure.

(8) For the purposes of this conduct code, “sexual exploitation” includes:

(a) Taking nonconsensual or abusive advantage of another for one’s own sexual benefit, or for the sexual benefit of anyone other than the one being exploited;

(b) Compelling another by threat or force to engage in sexual conduct or activity;

(c) Transmitting, distributing, publishing, or threatening to transmit, distribute, or publish photos, video, or other recordings of a private and sexual nature where such transmission, publication, or distribution is without the consent of the subject(s) and is likely to cause emotional distress to the subject(s);

(d) Taking or making photographs, films, or digital images of the private body parts of another person without that person’s consent;

(e) Causing or attempting to cause the impairment of another person to gain non-consensual sexual advantage over that person;

(f) Prostituting another person;

(g) Knowingly allowing another to surreptitiously watch otherwise consensual sexual activity; or

(h) Taking, making, or directly transmitting non-consensual video or audio-recordings of sexual activity.

(9) For purposes of this conduct code, “stalking” means engaging in a course of conduct that would cause a reasonable person to fear for his or her safety or the safety of others or to suffer substantial emotional distress. “Course of conduct” means two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means (including electronic), follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person’s property. “Substantial emotional distress” means significant mental suffering or anguish that may, but does not necessarily require medical or other professional treatment or counseling.

(10) For purposes of this conduct code, “domestic violence” means the infliction of physical harm, bodily injury, assault, or the fear of imminent physical harm, bodily injury or assault committed against a family or household member, including:

(a) A current or former spouse or intimate partner;

(b) A person with whom the person shares a child in common;

(c) A person with whom one is cohabitating or has cohabitated; or

(d) A person with whom one resides including a roommate, suitemate or housemate.

Domestic violence also includes sexual assault or stalking as defined herein of one family or household member by another family or household member.

(11) For the purposes of this conduct code, “relationship violence,” also referred to as “dating violence,” means violence, other than domestic violence as defined in subsection (10) of this section, committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be determined based on the reporting party’s statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons
involved in the relationship. For the purposes of this definition, relationship or dating violence includes, but is not limited to sexual or physical abuse or the threat of such abuse.

(12) As in all proceedings under this conduct code, the applicable standard of proof in cases involving sexual misconduct shall be the "preponderance of evidence" standard. This means that, in order for a student to be held responsible for a violation, it must be shown, based on all of the evidence in the record, that it is more likely than not that the student engaged in an act or acts of misconduct. The burden of proof in any hearing rests with the party seeking to establish that the violation occurred.

(13) Following receipt of a report of alleged sexual misconduct, the University may implement interim protective measures, including but not limited to:

(a) A "no-contact directive" prohibiting direct or indirect contact, by any means, with a complainant, an accused student, a reporting student, other specified persons, and/or a specific student organization;
(b) Reassignment of or removal from on-campus housing; or
(c) Changes to class schedules, assignments, or tests.

Interim protective measures will remain in place until an initial order becomes final or a final order is issued. Implementation of any interim measure does not assume any determination of, or create any presumption regarding responsibility for a violation under the student conduct code.

478-120-140 Emergency authority of the president and chancellors of the university.

If there is reasonable cause to believe that a student's conduct represents a threat to the health, safety, or welfare of the university or any member of the university community, or poses an ongoing threat of substantially disrupting or materially interfering with university activities or operations, the president, the president's delegate, the vice-president for student life, the chancellors of the University of Washington Bothell and Tacoma campuses, or the chancellors' delegates, may immediately suspend that student from participation in any or all university functions or privileges.

(1) In such an emergency situation, the university official placing the student on emergency suspension shall issue a written order to be served upon the student describing the terms of the emergency suspension and the reasons for the emergency imposing the suspension. The order shall be effective immediately and emergency suspension shall, unless otherwise specified in the emergency suspension order, remain in effect until the conclusion of all disciplinary proceedings. The order shall advise the student that he or she may provide information in writing at any time as to why emergency suspension should not be continued or why it should be made less restrictive.

(2) The matter shall then be referred to the appropriate conduct officer, disciplinary campus official who shall proceed as quickly as feasible to complete any proceedings that would be required if the matter did not involve an immediate danger to set the informal hearing. At the informal hearing, the student shall be given an opportunity to provide information as to why emergency suspension should not be continued or why it should be less restrictive.

(3) To the extent permissible under applicable law, in any case involving an allegation of sexual misconduct, a complainant may also be provided with notice of the respondent's emergency suspension and any terms of the emergency suspension that directly relate to the complainant.

(4) If a final order is entered exonerating a respondent, any emergency suspension order shall be lifted by the university official who issued the order.

478-120-145 Recording and maintenance of records.

(1) Records related to disciplinary proceedings shall be maintained consistent with university records retention policies and this conduct code.
The president, vice-president for student life at the University of Washington Seattle campus, or the chancellors of the University of Washington Bothell and Tacoma campuses, or their delegates, shall maintain records related to all disciplinary actions reported to their respective offices and may notify the dean or director of the college, school, or program, in which a respondent is enrolled, of any action related to disciplinary proceedings involving the respondent, provided that the school official to whom the information is being disclosed has a legitimate educational interest in receiving such information, as permitted by FERPA.

Records related to disciplinary proceedings shall be kept separate from academic records, and respondents' official academic transcripts of a student's academic record shall not contain any notation of any disciplinary actions taken pursuant to this conduct code.

The deans of a college or school at the University of Washington Seattle, the dean or directors of the program in which the student is enrolled at the University of Washington Bothell and Tacoma campuses, or their delegates, initiating disciplinary action shall maintain records related to all disciplinary matters reported to their respective offices and shall notify the office of the vice-president for student life, or the dean of the chancellor for the University of Washington Bothell or Tacoma campuses, whichever is appropriate, of any disciplinary action imposed against a respondent, who is enrolled in their college, school, or program in which disciplinary action is taken. The University officials named in this section dean at the University of Washington Seattle shall also inform the appropriate registrar of any action affecting a student's official standing in the university (e.g. suspension or dismissal). The office of the vice president for student life, or the office of the chancellor for the University of Washington Bothell or Tacoma campuses, shall notify the dean of the college or school or director of the program in which the student is enrolled of any disciplinary action it takes and also shall notify the registrar or campus officer of student affairs of any action affecting a student's official standing in the university.

The chairs of the faculty appeal board and university disciplinary committees shall maintain the official record (as indicated in RCW 34.05.476) of each disciplinary hearing until a final order is issued or entered. At such time, the respective chair will transmit the official record to the Vice President for Student Life, the Chancellor for UW Bothell, or the Chancellor for UW Tacoma, whoever is appropriate, or their delegates, who will maintain the official record in accordance with this section.

Disciplinary records of respondents shall be maintained by the vice-president for student life, or the chancellor at the University of Washington Bothell or Tacoma campuses, whichever is appropriate, or their delegates, and the registrar for seven years after the resolution of all disciplinary proceedings (including the resolution of any petition for judicial review filed in superior court) or until action has been taken and/or after the administrative purpose for retention has been served, whichever is later. Final orders imposing suspension or dismissal may be maintained indefinitely.

Disciplinary records of exonerated students shall not be maintained.

Notwithstanding any other provision of this section, the vice president for student life, or the chancellor at the University of Washington Bothell or Tacoma campuses, whichever is appropriate, or their delegates, at their discretion, upon written request by the student, may expunge the student's disciplinary record.

Student disciplinary records are “education records” as defined by FERPA and information regarding student disciplinary proceedings are subject to the provisions of the Family Educational Rights, and Privacy Act and supporting regulations (20 U.S.C. 1232g) and may only be disclosed consistent with FERPA and to chapter 478-140 WAC.
