Consecutive service as committee chair is limited to a maximum of two academic years. The Dean, associate deans, and department chairs are ineligible to serve as departmental representatives because their input is already separately incorporated in promotion and tenure decisions.

The two candidates who receive the largest number of votes are the departmental nominees. (If there are not two eligible full professors in a department, the matter of department representation will be brought to Faculty Council for resolution). The candidate who receives the larger number of votes of the two candidates from each department in a school-wide vote is the department representative.

Election of P&T Committee Chair

If no single representative receives a simple majority of votes cast, an additional election will be held to choose the chair from the two representatives receiving the largest number of votes.
