**ELECTED FACULTY COUNCIL AND STANDING COMMITTEES**

The iSchool has the following standing committees:
- Program Committees (Ph.D., MLIS, MSIM, B.S. in Informatics)
- Academics Council
- Personnel Committee

The standing committees are appointed by the EFC. The standing committees report to the EFC. The EFC will consult with the Dean for balancing of workload among the faculty, with a general expectation that every faculty member should be available to serve on at least one Standing Committee. In general, the terms of office for each Standing Committee are to begin in the fall quarter. Each year, the EFC may at its discretion offer more specific charges to the Standing Committees than the ones specified below. Only the EFC or the Standing Committees may create sub-committees to perform specific functions.

In addition, ad hoc committees may be appointed by EFC and shall report to the EFC or directly to the faculty.

A. Elected Faculty Council

**Responsibilities:** The EFC’s responsibilities are to advise the Dean on matters of policy regarding faculty promotion and tenure, faculty hiring, and on matters involving academic policy, including priorities, resource and salary allocation, and budgets (Sec. 23-45B). The EFC shall provide governance for the faculty of the iSchool. This body shall be concerned with all domains of faculty authority and duties of the iSchool faculty and the professional and personnel issues affecting the faculty. The EFC is directly accountable to the faculty as a whole, from which it is elected. It may act on behalf of the iSchool faculty and shall account to the iSchool faculty for those acts.

EFC meetings are open to all faculty with an appointment of at least 50%. Members of the iSchool community, for example, the Deans, individual faculty, staff, or students may be invited to attend meetings by the EFC. Executive sessions of the EFC are closed.

The EFC shall provide for: (1) oversight, coordination, and support of the activities of all iSchool standing and ad hoc committees, (2) appointment of the chairs of the standing and ad hoc committees that do not have chairs based on administrative position, and (3) election of the chair and members of the EFC.

**Chair:** The chair and chair-elect shall be elected by the voting faculty of the Information School spring term prior to the start of service. The chair-elect shall be elected from the associate and full professors of the Information School. Chairs serve three years: in the first year as chair-elect, in the second year as chair, and in the third year as past chair. The term of office shall not be extended unless a special need arises and continued service is mandated by the voting faculty of the iSchool.

Responsibilities: The function of the Personnel Committee shall be to:

1. Formulate and periodically review criteria for implementation of University Policy for faculty appointment, promotion, and tenure (Revised Code of Washington, Vol. II, Section 13-23[5] and 13-31[4,5]). Proposed changes in criteria shall be referred to faculty through the EFC for approval.

3. Serve as an advisory panel to the Dean and the Extended Personnel Committee (described below) relative to recommendations for appointments, promotion, and tenure review. (Revised Code of Washington, Vol. II, Section 23-43[b]).

The Chair shall write a formal report of these proceedings for the candidate, summarizing the discussion and recommendation and reporting on vote totals (no written report is necessary in a case of reappointment). For purposes of confidentiality, all names shall be omitted from this report. The candidate may then respond in writing to the Chair within seven calendar days. The Personnel Committee may then decide to revise the letter to the Dean based on the candidate’s response. The Chair shall transmit the faculty’s recommendation and all documents produced in this promotion process as advice to the Dean regarding tenure or promotion.

Filling Vacancies. If a vacancy should occur during the term of any office, the EFC shall be empowered to appoint an acting or permanent replacement to complete the unexpired term according to the regular processes spelled out in this document, or to provide for an election to a new term of office for that position. For example, if the office of a Chair of a Program Committee becomes vacant, the EFC consults with the Dean regarding a replacement.
