Husky Cycling is open to anyone who is interested in cycling. Riders of all skill levels are welcome and encouraged to join. The Club’s main focus is competitive cycling, but racing is not required by all members. Fall and Winter Quarters are focused on training rides on the weekends and Spring Quarter is focused on competition rides on the weekends. The team is always looking for interested cyclists to become involved in the world of cycling. Whether you are just looking for a few people to ride with, or you want to focus on training for the upcoming racing season, the Cycling Club has a place for you!
