The Men’s Soccer Club provides an excellent opportunity for members to play soccer at the UW. The team participates in the Starfire Soccer League competing against teams of varying ages from around the Puget Sound. The season runs from October to mid March, with about five to six hours of practice each week. It is important to have a consistent group of motivated players at practice to create a cohesive and successful team atmosphere. The club encourages players of all skill levels to come out and play. Try-outs are held starting the first week of classes Fall Quarter, October 1st, October 6th, and October 8th, 2015 on IMA Turf Field #3. At this level, no coach is needed as players understand the game well and can govern themselves on the field. The club presidents will select the team in the fall.
