The Husky Triathlon Club was established to provide multi-sport athletes of all skill levels at the University of Washington with adequate training, racing, and sponsorship resources. The triathlon club hosts year-round swimming, biking, and running clinics with professional coaches and coordinates practices with the UW's running and cycling clubs. Members are encouraged, though not required, to compete in local, regional, and national multi-sport events in the spring, summer, and early fall. Whether you're new to the sport or an avid racer, there is a place for you in the Husky Triathlon Club community.
