The Washington Yacht Club is a registered student organization at the University of Washington. Our purpose is to promote sailing among students, faculty, staff, and alumni. Members can sign up in the office (HUB sub-basement 259), or down at the WAC on weekends during supervised sailing. Washington Yacht Club is based at the Waterfront Activities Center; this is where our boats are stored and where we maintain and repair them. Most Washington Yacht Club Members had zero sailing experience before joining the club. Washington Yacht Club offers a wide variety of sailing lessons for our members, from novice to skipper. All sailing lessons are free so sign up for as many as you like. Sailing lesson sign ups start the second week of the quarter. Check our website for more details.
