

## UW Technology

### Infrastructure average costs for off-campus locations\*

rev. 04/10/09

Service	Non-recurring Installation Costs
<b>Connection to the UW Campus phone and data network from off-campus locations</b>	
Telecommunications Closet/Room	Average is \$10,000 on up per telecommunications closet/IDF
Cabling	Average is \$125/cable run (for 150 ft cable). The standard is 3 cables per location for a total of \$375 per location.
*Depending on the location, infrastructure needs and costs can vary widely and UW Technology will provide estimates while working with the Real Estate Office on tenant spaces.
