2008 Faculty Field Tour Stops

Monday

Kickoff at the Burke Museum – get acquainted, set expectations for the trip

Toray Composites, Frederickson – Large Boeing subcontractor that manufactures composite materials used in building the Boeing 777 and 787. A collaborator in our advanced materials center of excellence in Engineering

Mount St. Helens – Ranger led walk discussing the eruption and re-growth of the landscape around the mountain

Dams, fish and people lecture by Prof. Jim Anderson, Aquatic and Fishery Science

Tuesday

Radio KDNA, Latino public radio for the Yakima Valley. About to move into a new building catalyzed by grants led by our Community Partnerships group in Toppenish

Toppenish Creek restoration site – collaboration between the Yakama Nation and several UW departments

Heritage University – tour, discussion, and lunch with Pres. Kathleen Ross

Olsen Bros. Winery – tour and tasting with UW alums that own the winery and the mayor of Prosser, also an alumnus

Wednesday

Esperanza, Mattawa -- Farm worker housing project run by Grant County Housing Authority, consisting of recycled shipping containers. Design and construction of housing and landscaping by UW faculty and students

McCain Foods, Othello – Potato processing plant that makes French fries and tater tots

Economic Development lunch, Moses Lake – Presentation by Grant County EDC about the dramatic growth in Data Centers (Microsoft, Yahoo and Intuit) in the town of Quincy

Lloyd Bourne Farm – Our 10th visit with Lloyd and his wife Maureen for a discussion of farming life

Welcome to Washington, Spokane – Collaboration with UW Alumni Association to welcome incoming freshmen and their families to the UW family

Thursday

Grand Coulee Dam – tour of the 3rd power plant at the dam

Lunch with Colville Nation leaders and economic development presentation about Colville tribal enterprises

Colville Precision Pine Mill, Omak – Tour of a mill that makes pine dimension lumber, discussion of Colville Nation forest practices

Cascade Organics Orchard, Omak – Our fifth tour of the organic cherry and pear orchards run by the Stennes family

Friday

North Cascades Smoke Jumper base – tour and discussion of forest fires in the West.

Lunch and Tour – Seattle City Light – Ross Dam hydro power project
