

Department of Pediatrics Newsletter July 2013

Items to be covered in this edition:

- I. [Important Dates](#)
 - II. [Funding Opportunities](#)
 - III. [Welcome to New Faculty and Changes to Current Faculty](#)
 - IV. [Faculty Promotions](#)
 - V. [Welcome to Dr. John McGuire](#)
 - VI. [Faculty and Resident News](#)
 - VII. [Faculty Publications and Presentations](#)
-

I. IMPORTANT DATES

July 25: Provider Grand Rounds. 8-9AM in Wright Auditorium at Seattle Children's Hospital. "Organ donation after brain death and circulatory death: current status and persistent challenges" presented by Ann Thompson, MD, MHCPM, Professor, Critical Care Medicine and Pediatrics, University of Pittsburgh; Medical Director for Clinical Resource Management, Children's Hospital of Pittsburgh. Questions? Contact kathie.kohorn@seattlechildrens.org. Watch Grand Rounds from your own location in real time, or view a past presentation:

- [LIVE within Children's network](#)
- [LIVE outside Children's network](#)
- [ARCHIVED in the Grand Rounds Online Video Library](#)

You can view the schedule of upcoming Grand Rounds [online](#).

July 26: Ron Lemire Northwest Symposium on Pediatric Critical Care Medicine. 7AM-4PM in Wright Auditorium at Seattle Children's Hospital. This year's symposium "Contemporary Pediatric Transplantation Medicine" will consider state-of-the-art pediatric transplantation medicine. More information attached. Questions? Contact patricia.firth@seattlechildrens.org.

July 30: Department Faculty and Family Picnic. 6-8PM at Gas Works Park, 2101 N. Northlake Way (Picnic Shelters 1 & 2). Entertainment for the entire family including a performance by an illusionist and face-painting. Catering by Smokin' Pete's BBQ. The RSVP deadline has passed, but to join us please fill out the invitation attached and send it to jula.stafford@seattlechildrens.org.

July 31: Resident Case Presentation. 12:30-1:15PM in Wright Auditorium at Seattle Children's Hospital. "The sports physical: should EKGs become standard practice?" presented by **Diana Geisser, MD**, (R3). For live streaming during the event, click on the appropriate link: [outside of Children's Network](#) or [within Children's Network](#). Questions? Contact peds.chiefs@seattlechildrens.org.

Saturday, August 24: Benefit for UW Medicine NICU at J.Crew. 9-11AM, University Village J.Crew. Please join us to build support for the Neonatal Intensive Care Unit (NICU). J.Crew has generously offered to host a shopping event with proceeds going to support the NICU. To RSVP, please contact dhok@uw.edu.

August 26: Residents vs. Faculty Softball Game. 6:30-8PM at the IMA Field 1 East softball field. The residents challenge faculty to stretch those quads and dust off your tennis shoes for the annual resident-faculty softball game! More information attached. Questions? Contact laura.chen@seattlechildrens.org.

September 9-13: Intern Retreat. This year's retreat runs Monday, September 9 through Friday, September 13. Please consider helping with coverage this fall. The shift schedule is attached. Questions? Contact pam.burke@seattlechildrens.org.

September 30: Faculty Promotion Meeting. 7:30-9AM in Wright Auditorium at Seattle Children's Hospital. Professors and Associate Professors meet to discuss promotions of our regular faculty. Questions? Contact dmw@uw.edu.

2013 Biomedical Research Integrity Program (BRI) Lecture Series. Time and location varies. The Public Health Service (PHS) and its research institutions require that all pre-and post-doctoral researchers supported by PHS training grants receive training in the responsible

conduct of research. The School of Medicine has developed a program of lectures with associated discussion groups for its researchers to meet this requirement. All School of Medicine trainees are required to participate:

- **August 19: Data Management**
- **September 6: Responsible Authorship**
- **September 25: Conflict of Interest**

Visit the [BRI website](#) for the full schedule of lectures and discussion groups: Questions? Please contact uwbri@uw.edu.

UW Medicine Faculty Development Events. Fall and Winter 2013. New faculty orientation and workshops on themes such as wellness, professional education and teaching. See full schedule attached.

- **September 6:** UW Medicine New Faculty Orientation
- **September 17:** Teaching Interprofessional Learners
- **September 27:** Enhancing Faculty Wellness – Tools to Manage Stress, including Biofeedback and Autogenic
- **October 18:** Recognizing Unconscious Bias – An Interactive Workshop
- **October 29:** Teaching in a Small Group Setting – Pearls and Pitfalls
- **November 20:** Mid Career Planning – Plan Your Promotion to Professor
- **December 2:** Enhancing Faculty Wellness
- **December 10:** Transforming your Teaching – Lessons from the Medical School Classroom

October 15: Department Faculty Meeting. 5:15-7:30PM in Wright Auditorium at Seattle Children's Hospital. A social gathering with buffet service of assorted hors d'oeuvres and appetizers from 5:15-5:45PM and the regular meeting 5:45-7:30PM. (Attendance at faculty meetings is an expected faculty responsibility when one does not have unavoidable conflicts.) The agenda will feature:

- **Drs. Maneesh Batra and Grace John-Stewart:** An Update on Global WACH
- **Drs. Eileen Klein, Heather McPhillips and Richard Shugerman:** New ACGME Accreditation Requirements for Residencies and Fellowships.

More information will be sent out at a later date. Questions? Contact dmw@uw.edu.

→ Please see our [Department Calendar](#) for a complete list of upcoming events and more information.

II. FUNDING OPPORTUNITIES

Thursday, July 25: Internal deadline for the Burroughs Wellcome Fund's [Career Awards for Medical Scientists \(CAMS\)](#)

Thursday, July 25: Internal deadline for the HRSA's [Home Visiting Collaborative Improvement and Innovation Network](#)

Thursday, August 8: Internal deadline for Bill & Melinda Gates Foundation's [Family and Community Roles in Supporting Student Success](#)

Thursday, August 8: Internal deadline for the Kinship Foundation's [Searle Scholars Program 2014](#)

Tuesday, August 27: Internal deadline for the Burroughs Wellcome Fund's [Career Awards at the Scientific Interface](#)

Thursday, August 29: Internal deadline Burroughs Wellcome Fund's [Investigators in the Pathogenesis of Infectious Disease](#)

Tuesday, September 3: Pre-proposal deadline for the Burroughs Wellcome Fund's [Career Awards at the Scientific Interface](#)

Wednesday, September 4: Deadline for receipt of PAS/ASPR [2014 Workshop Proposals](#)

Monday, September 23: OSP deadline for the Arnold and Mabel Beckman Foundation's [Beckman Young Investigators Program 2014](#)

Monday, September 30: Deadline for the [Royalty Research Fund \(RRF\)](#)

→ Please visit Seattle Children's [Research Funding Watch List](#) (network login required) for more information on funding opportunities.

III. WELCOME TO NEW FACULTY AND CHANGES TO CURRENT FACULTY

Name	Rank	Division
Linda Quan, MD	Professor Emeritus	Emergency Services
Naomi Sugar, MD	Clinical Professor Emeritus	General Pediatrics
Leslie Kean, MD, PhD	Associate Professor	Hematology/Oncology
Jason Mendoza, MD, MPH	Associate Professor	General Pediatrics
Anita Beck, MD, PhD	Acting Assistant Professor	Genetic Medicine
Heather Helton, MD	Acting Assistant Professor	Hematology/Oncology
Casey Lion, MD	Acting Assistant Professor	General Pediatrics
Yongdong (Dan) Zhao, MD	Acting Assistant Professor	Rheumatology
Anita Kandiar, MD	Clinical Assistant Professor	Hospital Medicine
Jessica Piantino, MD	Clinical Assistant Professor	Neonatology
Nisha Ahir, MD	Clinical Instructor	Hospital Medicine
Breanna Kinghorn, MD	Clinical Instructor	Pulmonary Medicine
Lauren Rakes, MD	Clinical Instructor	Pulmonary Medicine
Elizabeth Dawson-Hahn, MD	Senior Fellow/Acting Instructor	General Pediatrics
Whitney Waite, MD	Senior Fellow/Acting Instructor	General Pediatrics
Laura Chen, MD	Acting Instructor/Chief Resident	Hospital Medicine
Jeremiah Davis, MD, MPH	Acting Instructor/Chief Resident	Hospital Medicine
Amy Downing, MD	Acting Instructor/Chief Resident	Hospital Medicine

IV. FACULTY PROMOTIONS

FULL-TIME CLINICAL FACULTY		
Name	Rank	Division
Henry Berman, MD	Clinical Professor	Adolescent Medicine
Howard Jeffries, MD	Clinical Professor	Critical Care Medicine
M. Catharine Pew, MD	Clinical Professor	General Pediatrics
Thomas Jinguji, MD	Clinical Associate Professor	Pediatrics (Primary) and Orthopaedics (Joint)
Abena Knight, MD	Clinical Assistant Professor	Hospital Medicine
James Metz, MD	Clinical Assistant Professor	Hospital Medicine

VOLUNTEER CLINICAL FACULTY	
Name	Rank
LoRanee Braun, MD	Clinical Professor
Jodyne Butto, MD	Clinical Professor
Ann Champoux, MD	Clinical Professor
Jeffrey Demain, MD	Clinical Professor
Lloyd Jensen, MD	Clinical Professor
Stuart Minkin, MD	Clinical Professor
Karen Nilsen, MD	Clinical Professor
Robert Roskin, MD	Clinical Professor
Cornelius Van Niel, MD	Clinical Professor
Krista Barrett, MD	Clinical Associate Professor
Laurie Carter, MD	Clinical Associate Professor
Melissa Frouhar, MD	Clinical Associate Professor
Jeremy Gitomer, MD	Clinical Associate Professor
Kimberly Grandinetti, MD	Clinical Associate Professor
Jennifer Hall, MD	Clinical Associate Professor
Willow Monterrosa, MD	Clinical Associate Professor
Teresa Neeno, MD	Clinical Associate Professor

Kathleen Park, MD	Clinical Associate Professor
Andrew Reichert, MD	Clinical Associate Professor
Scott Wellmann, MD	Clinical Associate Professor

V. WELCOME TO DR. JOHN MCGUIRE

The Department of Pediatrics is pleased to announce the appointment of **John McGuire, MD**, as the new Chief of the Division of Pediatric Critical Care Medicine. Dr. McGuire joined the Department in 2004 as a physician-scientist. He has served the Division as Fellowship Director and Associate Division Chief with distinction. We look forward to John's leadership.

VI. FACULTY AND RESIDENT NEWS

Drs. Kendall Agochukwu and Erin Goranson received the Family-Centered* Award at the June 21, 2013 Pediatric Residency End-of-Year Banquet. **Correction from the June Newsletter.*

Dr. Kristin Kan was selected as a 2014 Robert Wood Johnson Foundation Clinical Scholar. This is two-year fellowship begins in July 2014 at the University of Michigan.

VII. FACULTY PUBLICATIONS AND PRESENTATIONS

Dr. Joseph Flynn: Pediatric Hypertension, 3rd ed. Flynn JT, Ingelfinger J, Portman R. New York, NY, Humana Press Inc., 2013.

Dr. Kenneth Schenkman: Muscle oxygenation measurement in humans by noninvasive optical spectroscopy and Locally Weighted Regression. Arakaki LSL, Shenkman KA, Ciesielski WA, et al. Elsevier. 2013 June;785 (27):27–33. [Link](#).

Dr. Timothy Cox:

- Effects of cell grafting on coronary remodeling after myocardial infarction. Weyers JJ, Schwartz SM, Cox TC, et al. J Am Heart Assoc. 2013 May; 2(3):e000202. [Link](#).
- *The MID1 E3 ligase catalyzes the polyubiquitination of Alpha4, a regulatory subunit of Protein Phosphatase 2A (PP2A): novel insights into MID1-mediated regulation of PP2A. Du H, Huang Y, Cox TC, et al. J Biol Chem. 2013 June 5. Epub ahead of print. [Link](#). **Dr. Cox's publication made the cover of the Journal of Biological Chemistry! – see photo attached.*

Dr. Nigel Bamford: Acetylcholine encodes long-lasting presynaptic plasticity at glutamatergic synapses in the dorsal striatum after repeated amphetamine exposure. Wang W, Darvas M, Bamford NS, et al. J Neurosci. 2013 May;33:10405-10426. [Link](#).

Drs. Daniela Luquetti, Kelly Evans and Carrie Heike: Interrater reliability of a phenotypic assessment tool for the ear morphology in microtia. Luquetti DV, Evans KN, Heike CL, et al. Am J Med Genet. 2013; 161(6):1264-1272. PMID: PMC3664118. [Link](#).

Dr. Tamara Simon:

- How best to design surgical comanagement services for pediatric surgical patients? Simon TD. Hospital Pediatrics. 2013 July 19; 3(3):242-243. DOI: 10.1542/hpeds.2013-0033. [Link](#).
- Prioritization of comparative effectiveness research topics in hospital pediatrics. Keren R, Luan X, Simon TD*. Archives of Pediatric and Adolescent Medicine. 2012 Dec;166(12):1155-1164. PMID: 23027409. [Link](#). **Dr. Simon is listed as a member of the investigative team cited in the appendix of the manuscript.*

Dr. Lisa Maves:

- Intrinsic epigenetic regulation of the D4Z4 macrosatellite repeat in a transgenic mouse model for FSHD. Krom YD, Thijssen PE, Maves L, et al. PLoS Genet. 2013 April; 9(4):e1003415. DOI: 10.1371/journal.pgen.1003415. [Link](#).
- Pbx and Prdm1a transcription factors differentially regulate subsets of the fast skeletal muscle program in Zebrafish. Yao Z, Farr GH III, Maves L, et al. Biol Open. 2013 April 8; 2(6): 546-55. DOI: 10.1242/bio.20133921. [Link](#).

Please let us know of your latest publications, awards, and honors by emailing pedsnews@seattlechildrens.org
