III. FACULTY NEWS

Dr. Sheela Sathyanarayana is the first recipient of Young Investigator Award in the Center for Ecogenetics and Environmental Health.

Dr. Charlene Wong (R3) was one of 27 emerging physician leaders selected as 2013 Robert Wood Johnson Foundation Clinical Scholars. Read more in the 8.10.12 edition of UWMedicine Online News.

Dr. Jonna Clark and Dr. Ben Danielson each received Seattle Children's 2012 Family Choice Award.

Dr. Phoenix Ho received a two-year, $50,000 award from Alex’s Lemonade Stand Foundation. The grant will support his study in exploiting WT1 genomic alterations for target identification and MRD monitoring in pediatric AML.

Danielle Zerr, MD, MPH received notice of grant award for a new 5-year R01 (CA163394: “Impact of chlorhexidine bathing on reducing infections in children with cancer”) from the NCI to fund a multicenter trial to determine whether bathing with chlorhexidine gluconate reduces bloodstream infections and acquisition of multi-drug resistant organisms in children with cancer or those receiving hematopoietic cell transplantations. Xuan Qin, PhD, Director of the Clinical Microbiology Laboratory at SCH, is a co-investigator on the project.

IV. FACULTY PUBLICATIONS AND PRESENTATIONS

L. Kathleen Mahan, RD, CDE, MS: The latest edition of the classic text - Mahan, LK, Escott-Stump, SE and Raymond, J: Krause’s *Food and the Nutrition Care Process*, 13th ed., Elsevier, St. Louis, 2012 came out this year. It is used in nutrition and dietetic programs all over the country and has been use since 1952 when it was first published.

Dr. Joseph Flynn:

Tamara D. Simon, MD, MSPH:

Dr. Ben Wilfond:

Please let us know of your latest publications, awards, and honors by emailing Brooke Freed: brooke.freed@seattlechildrens.org
