Items to be covered in this edition:

I. **Important Dates**
II. **Funding Opportunities**
III. **Welcome to the New Faculty/Changes to the Current Faculty**
IV. **Faculty News**
V. **Faculty Publications and Presentations**

---

I. **IMPORTANT DATES**

**Thursday, August 25:** Grand Rounds. 8-9AM in Wright Auditorium at Seattle Children’s Hospital. “Pediatric Pancreatitis: New Developments and Common Misconceptions” presented by Dr. Matthew Giefer, Assistant Professor of Pediatrics, UW; Director, Therapeutic Endoscopy; Director, Gastroenterology Fellowship Program, Seattle Children’s Hospital. Questions? Contact kathie.kohorn@seattlechildrens.org

**Wednesday, August 31:** Resident Case Presentation. 12:30-1:30PM in Wright Auditorium at Seattle Children’s Hospital. “The Value of CBCs” presented by Dr. Leah Carr. For live streaming during the event, click on the appropriate link: outside of Children’s Network or within Children’s Network. Questions? Contact pedschiefs@seattlechildrens.org.

**Monday, September 5:** Department of Pediatrics Administrative Offices Closed in observance of the Labor Day holiday.

**Wednesday, September 7:** Oral & Maxillofacial Surgery Grand Rounds. 6-7PM in Turner Auditorium (D-209), UW Health Sciences Building. “New Understanding of Vascular Anomaly Development” presented by Jonathan A. Perkins, DO; Pediatric Otolaryngology, Seattle Children’s Hospital; Professor, Department of Otolaryngology, UW. Please RSVP Light meal served at 5:30PM. Link

**Wednesday, September 7:** Resident-Faculty Softball Game. 6:30PM at UW IMA Field #1 (Corner of NE 45th St. and Mary Gates Memorial Dr. NE). Please RSVP to pedschiefs@seattlechildrens.org. Food will be provided!

**Monday, September 12:** Summer Trainee Development Series: Biomedical Research Integrity Series – NIH Topic Peer Review. 3:30-5PM in the UW Hogness Auditorium A420, Health Sciences Building. Bruce Alberts, PhD, Chancellor’s Leadership Chair in Biochemistry and Biophysics for Science and Education from UCSF discusses NIH topic peer review. Sign up for separate discussion sections on the website. If signing up for a discussion section at Fred Hutch, please contact Michelle Primley Benton at michelle.primleybenton@seattlechildrens.org to arrange building access. Best suited for Grads & Post-docs.

**Wednesday, September 14:** Promotion and Reappointment Process with Dr. Fred Rivara for Full Time Clinical Faculty. 5-6PM in OA.5.341 at Seattle Children's Hospital. Junior faculty and new faculty are invited to attend Dr. Rivara’s annual talk on the promotion and reappointment process and criteria for full time clinical faculty. RSVP to pedsfa@uw.edu.

**Thursday, September 29:** Faculty Promotion Meeting. 4-5:30 PM in OA.5.340 at Seattle Children’s Hospital with videoconference to PearlJam (#806), Jack MacDonald Building (1900 Ninth Ave, Seattle 98101). Professors and Associate Professors meet to discuss mandatory and non-mandatory promotions of our regular faculty. RSVP to pedsfa@uw.edu.

**Monday, September 26:** Promotion and Reappointment Process with Dr. Fred Rivara. 5-6:30PM in OA.5.340 at Seattle Children's Hospital. Junior faculty and new faculty are invited to attend Dr. Rivara’s annual talk on the promotion and reappointment process and criteria for regular faculty. RSVP to pedsfa@uw.edu.

**Monday, October 3 & Tuesday, October 4:** Learn to Be a Healthcare Simulation Educator (Healthcare Simulation Educator Course). The Simulation Program is offering a two-day course to Seattle Children's, residents, fellows, faculty and staff interested in being
a healthcare simulation educator, or who want to buff up their simulation training skills. In this course, you will learn about the integration between adult educational theory and simulation, scenario development, facilitation skills and debriefing, and will review successful simulation project management. This course is free and open to all levels of experience. Visit Learning Center to enroll. To learn more, contact us at simulation@seattlechildrens.org. CEU and CME credit will be available.

Friday, October 28: 9th Annual Ron Lemire Northwest Symposium on Contemporary Pediatric Critical Care Medicine. 7AM-5PM in Wright Auditorium at Seattle Children’s Hospital. “Optimizing Recovery after Critical Care.” Expert local, national and international faculty will discuss risk factors related to critical illness and its treatment that contribute to and describe various aspects of long-term morbidity among children surviving critical illness. The Symposium will feature a panel discussion and family interview, and facilitate meaningful interaction of the audience with the faculty. Click here for more information and to register. Registration must be completed online by October 14, 2016.

II. FUNDING OPPORTUNITIES

August 29: OSP Deadline for the Burroughs Welcome Fund Career Awards at the Scientific Interface

September 26: Deadline for the Autumn 2016 round of the Royalty Research Fund (RRF)

➡ Please visit Seattle Children’s Research Funding Watch List or UW Office of Research for more information on funding opportunities.
