Items to be covered in this edition:

I. **Important Dates**

II. **Announcements**

III. **Funding Opportunities**

IV. **Welcome to the New Faculty/Changes to the Current Faculty**

V. **Faculty News**

VI. **Faculty Publications and Presentations**

---

**I. IMPORTANT DATES**

**Wednesday, November 30:** Resident Case Presentation. 12:30-1:30PM in Wright Auditorium at Seattle Children’s Hospital. “Trans 101 + Advocacy” presented by Dr. Gwen Lieb (R3). For live streaming during the event, click on the appropriate link: outside of Children’s Network or within Children’s Network. Questions? Contact pedschiefs@seattlechildrens.org.

**Thursday, December 1:** Grand Rounds. 8-9AM in Wright Auditorium at Seattle Children’s Hospital. “Caring for Survivors of Childhood Cancer: Learning from the Past, Predicting the Future” presented by Dr. Eric Chow, Assistant Professor of Pediatrics, UW; Member, Clinical Research and Public Health Sciences Divisions, Fred Hutchinson Cancer Research Center; Hematology/Oncology, Seattle Children’s. Questions? Contact kathie.kohorn@seattlechildrens.org.

**Friday, December 2:** Annual Tuberculosis Symposium. 9AM-4:40PM in Brotman Auditorium, UW South Lake Union Campus. Keynote Speaker: Dr. Madhukar Pai, Director of McGill Global Health Programs; Associate Director of McGill International TB Centre; Canada Research Chair in Translational Epidemiology & Global Health at McGill University, Montreal. [Link to RSVP](#). Questions? Contact Paul Drain, pkdrain@uw.edu.

**Tuesday, December 6:** Getting Organized: Project Planning, Managing Email and Time Workshop. 8AM-12PM in South Campus Center 316. This workshop offers organization and time management techniques and strategies from faculty and an administrator experienced in project management. Questions? Contact somfacdev@uw.edu.

**Tuesday, December 6:** The National Academy of Medicine’s Annual Rosenthal Symposium. 4-6PM in Room 220, UW Kane Hall. “Precision Population Health” Co-hosts: Dr. Victor J. Dzau, President, National Academy of Medicine; Board Member, Institute for Health Metrics and Evaluation, University of Washington; Chair, Health and Medicine Division Committee of the National Academies of Sciences, Engineering, and Medicine; Chancellor Emeritus and James B. Duke Professor of Medicine, Duke University; Dr. Paul G. Ramsey, CEO, UW Medicine, Executive Vice President for Medical Affairs and Dean of the School of Medicine, University of Washington. Keynote Speaker: Dr. Susan Desmond-Hellmann, CEO, Bill & Melinda Gates Foundation. [Link to RSVP](#).

**Wednesday, December 7:** BestStart Washington presents “Substance Use in a Changing Environment.” 6:30-9PM at 3616 East Pike St, Seattle, WA 98122. Washington’s landscape changed with marijuana legalization – but does that mean as pediatric health care providers we need to change the way we talk about it to teens and parents? Join Dr. Yolanda Evans, for a conversation on adolescent substance use and advice for pediatricians on how to best ask about counsel patients regarding marijuana in the age of legal recreational use. Dr. Evans will discuss perceptions, prevention and best practices, followed by what promises to be a lively and productive group discussion. $75 to attend. [Link to sign up](#).

**Wednesday, December 7:** Oral & Maxillofacial Surgery Grand Rounds. 6-7PM in Turner Auditorium (D-209), UW Health Sciences Building. “Planning in Orthognathic Surgery: From Euclidean Geometry to Virtual Surgery” presented by Dr. Seenu Susarla, Craniofacial Surgery Fellow, Seattle Children’s Hospital, Harborview Medical Center. Please [RSVP](#). Light meal served at 5:30PM. [Link for more information](#).
Tuesday, December 20: GLEAM Workshop: Optimizing the Educational Environment. 8:30-11:30AM at the South Campus Center, Room 316. We have developed a tool using the mnemonic "GLEAM" that uses concepts analogous to "patient-centered" communication to facilitate the preceptor's ability to dialogue with students on these topics, and for preceptors to reflect on their own perceptions and biases. Presenters: Dr. Kim O'Connor, Associate Professor of Medicine, UWSOM College Faculty Mentor; Dr. Genevieve Pagalilauan, Associate Professor of Medicine, UWSOM College Faculty Mentor. Link to register.

Friday, January 13: 5th Annual Women Faculty Day. 8:30AM-4PM at UW Urban Horticulture Center. This program is organized by the Committee on Women in Medicine and Science with a focus on leadership development. Keynote Speakers: Jennifer Cohen, UW Athletic Director; Dr. Virginia Broudy, Professor of Medicine and Associate Chair, Department of Medicine. Plan to spend the day learning skills and networking with colleagues. Link to RSVP. Questions? Contact somefacdv@uw.edu.

Save the Dates: 2017 Pediatric Faculty Meetings. Attendance at faculty meetings is an expected faculty responsibility when one does not have unavoidable conflicts. These meetings will be scheduled from 5:15-7:30PM (5:15-5:45PM social gathering; 5:45-7:30PM program) in Wright Auditorium at Seattle Children’s Hospital. Questions? Contact christina.woodruff@seattlechildrens.org.

• Wednesday, January 25, 2017
• Wednesday, June 14, 2017
• Monday, October 30, 2017

II. ANNOUNCEMENTS

Seattle Children’s Hospital was awarded the “Outstanding Community Partner Award” at the Annual Bone Bash event by the Arthritis Foundation this year.

The Department of Pediatrics is now using Zipline for new IRB applications for human subjects research. Link for more information.

Follow UW Pediatrics on Twitter! Faculty, Fellows, Residents and Staff are encouraged to follow us on Twitter for the latest announcements, faculty recognition, news and more! The Twitter handle is @UW_Pediatrics.

III. FUNDING OPPORTUNITIES

January 4: Internal deadline for the Macy Foundation’s Faculty Scholars Program 2017

February 1: Sponsor Deadline for the Albert Lasker Medical Research Awards

February 15: Sponsor deadline for the Howard Hughes Medical Institute (HHMI)’s Hanna H. Gray Fellows Program

⇒ Please visit Seattle Children’s Research Funding Watch List or UW Office of Research for more information on funding opportunities.
