### I. ANNOUNCEMENTS

The Office for Teaching, Education and Research (OTER) has partnered with the University of Washington Department of Pediatrics to offer a new and exciting course, PEDS 513 Scientific Investigation in Pediatric Medicine, for undergraduates and graduate students at the University of Washington! For more information, contact Christina Riley at [oter@seattlechildrens.org](mailto:oter@seattlechildrens.org).

The letter of intent deadline for the Clinical Research Scholars Program has been extended to April 6. The Clinical Research Scholars Program (CRSP) supports the development of successful clinical and translational researchers among junior faculty affiliated with Seattle Children's. This goal is accomplished through a structured program of mentoring by dedicated CRSP faculty, educational seminars and financial support. Submitting an LOI is required before submitted a final application. For more information, visit the [Apply to the CRSP](#).

The Pediatric Pilot Funds Program is now accepting applications. The program views itself as a pipeline to help investigators prepare themselves to submit an extramural grant. Projects can be up to two years in length with a total award maximum of \$20,000. Multi-year projects will have a set Year 1 and Year 2 budget. Year 2's funding will be contingent on Year 1's progress. Applications are due **June 8, 2018**. For more information, visit the [PPF program website](#). Answers to many FAQs are located in the downloadable application packet.

The Academic Enrichment Fund (AEF) is now accepting applications. The program's purpose is to cultivate and support the scholarship and research of clinicians who devote the majority of their effort to clinical service and medical education. Awards range from up to \$25,000 to \$40,000 depending on PI application type. All applications require a biostats consultation at least 4 weeks prior to the application deadline. Applications are due **June 22, 2018**. For more information, visit the [AEF program website](#). Answers to many FAQs are located in the downloadable application packet.

The Office of Global Affairs is offering two opportunities to enhance your global engagement and create innovative new programming for UW students. The **Global Innovation Fund** offers seed funding of up to \$20,000 to develop cross-disciplinary and cross-continent collaborations. Applications are due **November 1, 2018**. For more information, visit the [Global Innovation Fund web page](#).

### II. IMPORTANT DATES

**Wednesday, April 4: Patient Safety Conference.** 12-1PM in Wright Auditorium at Seattle Children's Hospital. "Safety and Bruising in Small Children," presented by Reina Dastur, Daphne Lindsey and **Dr. Rebecca Wiester**. Light lunch will be served at 11:45AM.

**Wednesday, April 4: Oral & Maxillofacial Surgery Grand Rounds.** 6-7PM in Turner Auditorium (D-209), UW Health Sciences Building. "Cleft Lip: Technical comparisons of Millard and Tension-Randall flaps," presented by Dr. Raymond Tse, Associate Professor, Brachial Plexus Program Director, Seattle Children's Hospital, Seattle, WA. Light lunch will be served at 11:45AM. . Please [RSVP](#). Light meal served at 5:30PM.

**Thursday, April 5: Grand Rounds.** 8-9AM in Wright Auditorium at Seattle Children's Hospital. "UW Department of Pediatrics and Seattle Children's Quality Improvement Scholar's Program: Meet the 2016-2017 Scholars" presented by **Drs. Rebecca Jennings, Sarah Connell and Aarti Bhat**. Contact [kathie.kohorn@seattlechildrens.org](mailto:kathie.kohorn@seattlechildrens.org).

**Every Sunday, April 8-May 6: Introduction to Mindfulness Series.** 6-8PM at South Lake Union. Introduction to Mindfulness for Healthcare Professionals will train healthcare practitioners in the core elements of Mindfulness-Based Stress Reduction, an evidence-based curriculum designed for stress reduction and burnout prevention. Extensive research has shown that trainings such as this can have significant benefits for participants' job satisfaction, their relationships with patients and co-workers, and their focus and creativity at work.

**Monday, April 9: 2<sup>nd</sup> Term Reappointment Voting Faculty Meeting.** 5-6PM in Wright Auditorium at Seattle Children's Hospital, video link to JMB – Pearl Jam (#806). Associate and Full Professors should attend this meeting.

**Tuesday, April 10: GME Program Director Development Series (PDDS) Session #5.** 8-11AM at South Lake Union in the Seminar Rooms #C-123 A & B. "Resources for Remediation and the Struggling Resident." Registration links for sessions will be emailed one month prior to the event. Contact Christa Nemeth ([cmnh@uw.edu](mailto:cmnh@uw.edu)) for more information.

**Friday, April 20: 39<sup>th</sup> Annual Duncan Seminar.** 7:15AM-4:30PM in the Wright Auditorium at Seattle Children's Hospital. "Spina Bifida: Promoting Wellness and Preventing Pitfalls." At this one-day conference, participants will gain an understanding on important aspects of optimizing child development, and family health outcomes for children with spina bifida. Please register [here](#).

**Saturday, April 21: A Celebration of Dr. Richard Grady.** 8AM-4PM at the Orin Smith Auditorium, University of Washington, South Lake Union, 850 Republican Street, Seattle, WA 98109. On behalf of Drs. Hunter Wessells and Paul Merguerian, along with the University of Washington Department of Urology and Seattle Children's Division of Pediatric Urology, you are invited to join us in a celebration of Dr. Richard Grady. This will be a full day of presentations on topics that were dear to him.

**Thursday, April 26: GME Program Director Development Series (PDDS) Session #6.** 8-11AM at South Lake Union in the Seminar Rooms #C-123 A & B. "Conflict Management and Negotiation." Registration links for sessions will be emailed one month prior to the event. Contact Christa Nemeth ([cmnh@uw.edu](mailto:cmnh@uw.edu)) for more information.

**Friday, April 27: Preparing for Your Promotion to Associate Professor.** 8AM-12PM in the South Campus Center Room 316. This workshop offers an overview of promotions and the promotion process in the School of Medicine, as well as practical advice about teaching portfolios. It is relevant for physician scientists, clinician teachers and basic scientists. This workshop is presented twice a year. This program does not cover the promotion process for clinical faculty with annual appointments as this is department specific, but all faculty are welcome to attend.

**Friday, May 11: 5<sup>th</sup> Annual Seattle Children's Nursing Research Symposium.** 8AM-4:30PM in the Wright Auditorium at Seattle Children's Hospital. Registration is free for Seattle Children's nurses and this is a paid CE day from a special fund, not impacting unit-allocated funds. [Register online](#) or through the Learning Center.

**Wednesday, June 13: Pediatric Faculty Meeting.** Attendance at faculty meetings is an expected faculty responsibility when one does not have unavoidable conflicts. These meetings will be scheduled from 5:15-7:30PM (5:15-5:45PM social gathering; 5:45-7:30PM program) in Wright Auditorium at Seattle Children's Hospital. Contact [christina.woodruff@seattlechildrens.org](mailto:christina.woodruff@seattlechildrens.org) if you have any questions. Next meeting on Tuesday, October 16, 2018.

**Wednesday, July 25: Annual Department Faculty & Family Picnic.** 6-8PM at Gas Works Park. More information to follow at a later date. Questions? Contact [christina.woodruff@seattlechildrens.org](mailto:christina.woodruff@seattlechildrens.org).

### III. FACULTY NEWS
