I. **ANNOUNCEMENTS**

On Thursday, July 26, 2018, the “Hospitalist” team was renamed to “General Medicine, Team 8”. The name change reflects how our team of pediatric hospitalists care for general pediatric patients on all of the General Medicine teams. This change will not impact our current service agreements. Any patients that were previously admitted to the “Hospitalist” team will now be admitted to “General Medicine, Team 8”.

The *Women’s Wellness through Equity and Leadership* project (WEL) is currently recruiting a cohort of early- to mid-career female physicians and health care leaders and will provide mentorship and networking opportunities, as well as bolster leadership skills. Cohort participants will also contribute to the development of principles regarding equitable, healthy work environments for female physicians, to be utilized and widely disseminated by all participating organizations. To apply, please complete and “submit” the attached pdf application AND email a copy to WEL@aap.org along with your 2-page biosketch (template attached). Please submit all materials by: **August 2, 2018**. Applicants will be notified about decisions by the week of August 20th. Please see the attachments for more information and direct any questions to Dr. Fan Tait, Chief Medical Officer, AAP, at ftait@aap.org.

The Office of Global Affairs is offering two opportunities to enhance your global engagement and create innovative new programming for UW students:

- The [Global Innovation Fund](#) offers seed funding of up to $20,000 to develop cross-disciplinary and cross-continent collaborations. Open to faculty members, research scientists, and non-faculty researchers. Eligible projects include: Research collaborations, faculty-student collaborations, study abroad programs (new or existing), faculty exchanges, and conferences. Deadline: **Thursday, November 1**.
- [UW Study Abroad](#) seeks proposals for faculty-led study abroad programs. Attend an information session to share ideas and discuss logistics. Deadlines for 2019 - 2020 program proposals: Programs running in Summer 2019, Autumn 2019, Winter 2020, Spring 2020 proposals due: **August 31**. Programs running in Early Fall 2019 proposals due: **October 31**.

The Washington Chapter of the American Academy of Pediatrics (WCAAP) has long enjoyed a productive working partnership with Seattle Children’s to improve child health in Washington, and that relationship is stronger than ever. WCAAP welcomes more involvement of Seattle Children’s providers so together we can make our state a better place for children. Consider joining an evening with legislators in the 46th District (NE Seattle) on October 4, signing up for action alerts, or committees and most of all Advocacy Day on February 15, 2019. Please see the attachment for more information.
