Statement of Financial Responsibility

U.S. immigration law requires that international students show proof of finances for one full academic year before the UW may issue an I-20. Please complete the following form and submit it along with your I-20 Request Form, a copy of a bank statement or bank letter showing proof of finances, and a copy of the biographical page of your passport. Submit all four items together online at https://forms.admit.washington.edu/i-20-request/. Do not mail original documents to the Office of Admissions. Keep them for your own records.
