Dear Colleagues:

Thank you for agreeing to serve on the advisory search committee to identify and recommend candidates for the position of Dean of the College of the Environment. Matt O'Donnell, Dean of the College of Engineering will chair the committee. As you can see, the committee is composed of outstanding individuals committed to the success of the College of the Environment.

Enclosed is a copy of Executive Order 20 from the University Handbook, which sets forth the basic process for conducting a search for a dean. The University has a strong commitment to diversity, which I ask you to consider seriously as you build a pool of eligible candidates. Please establish protocols for seeking the opinions of the broader UW faculty, staff, student and alumni communities, as well as other appropriate constituencies of the University of Washington. search, the President and I would like to receive from you the names of at least three highly qualified candidates.

Dean O'Donnell will communicate with you to arrange the first meeting of the committee. I will attend a portion of that meeting to discuss the search with you.

Thank you very much for accepting this important assignment.

Sincerely,
