VII. STANDING COMMITTEES

B. Finance, Audit & Facilities Committee

Amendment of Chapter 478-136 WAC, Use of University of Washington Facilities, and Amendment of WAC 478-137-030, Administrative Authority

RECOMMENDED ACTION:

It is the recommendation of the administration and the Finance, Audit and Facilities Committee that the Board of Regents adopt the amendments to Chapter 478-136 WAC, “Use of University of Washington Facilities,” and the related housekeeping amendment to WAC 478-137-030, “Administrative Authority.”

BACKGROUND:

The primary purpose of amending the University’s rules governing the use of its facilities is to extend to each of the University’s three campuses a separate Committee for the Use of University Facilities (hereafter Committee) that can provide local guidance, specific to the unique facilities at each campus location, while adhering to the limitations on use provided in Chapter 478-136 WAC that apply to all University facilities and grounds. These proposed amendments better serve each campus to establish use patterns for new facilities and grounds at their respective campuses, as well as responding to routine requests for facilities use and guidance.

The amended rules continue to charge the President with delegating to the UW Seattle Committee Chair oversight for all UW facilities and grounds not located on either the UW Bothell or UW Tacoma campuses. The amended rules now also delegate from the President to the chancellors, the authority to establish their own Committees and subdelegate to their appointed chairs the responsibility for oversight of facilities and grounds maintained on their respective campuses. Additionally, these amended rules stipulate that the chairs of each of the three campus Committees will confer with one another to promote a uniform application of the use rules maintained in Chapter 478-136 WAC.

Other amendments to this chapter implement the following improvements:

- Streamlining the request process language for sponsorship and approval of events;
- Reorganization of various sections for clarity of purpose, including establishing a separate section for the Alcoholic Beverage Policy, without change to that policy;
- New and updated contact information for all three campus Committee chairs;

B. Finance, Audit & Facilities Committee

Amendment of Chapter 478-136 WAC, Use of University of Washington Facilities, and Amendment of WAC 478-137-030, Administrative Authority (continued p. 2)

- New definitions to define the terms “chair” and “Committee on the Use of University Facilities,” and further define the existing definition for “facility or facilities”; and
- General updating of text to reflect current practice.

Also, two housekeeping amendments are proposed for WAC 478-137-030, “Administrative Authority,” from the chapter, “Use of Joint University of Washington, Bothell and Cascadia Community College Facilities,” in order to clarify the title and responsibilities of an existing facilities use coordinator (from that of the new chair of the Committee role) for a committee that regulates only the use of joint facilities on that co-located campus.

As required by the Washington Administrative Code rule-making process, the public was notified that a hearing would be held to consider these proposed rules amendments via notices in the Washington State Register, The Daily, University Week, and included in various online campus calendars. The hearing officer’s report is attached; although, no oral testimony or written comments were received.

The proposed rule amendments have been reviewed by the Attorney General’s Office, and endorsed by the UW chancellors, the current Secretary of the Committee on the Use of University Facilities, and the Office of the President.

Office of the President  
University of Washington

Dear President Emmert,

Pursuant to your delegation, I served as the Hearing Officer to receive public comment on the University of Washington's proposed amendments to Chapter 478-136 WAC, “Use of University of Washington Facilities,” and related housekeeping amendments to WAC 478-137-030, “Administrative Authority.” The hearing commenced at 12:00 p.m. on Monday, May 17, 2010, in Room 309 of the Husky Union Building (HUB) at the University of Washington, Seattle campus. I am pleased to provide you a report of that hearing.

As required by the Administrative Procedure Act, the University filed the following notices with the Washington State Code Reviser: a Preproposal Statement of Inquiry (published as WSR 10-04-017 in the Washington State Register on February 17, 2010) and a notice of Proposed Rule Making (published as WSR 10-08-066 in the Washington State Register on April 21, 2010). Notice that the hearing would be held was published in The Daily and in University Week on May 6, 2010. In addition, notice of the public hearing was sent to all three UW campuses for various UW news units and UW online events calendars. The written comment period began February 17, 2010, and ended May 17, 2010.

Public Comment

No individuals attended the hearing to provide comment on these proposed amendments, no individuals requested access to the conference phone lines for the purpose of presenting testimony, and no written comments were received.

Analysis and Recommendation

The proposed amendments to Chapter 478-136 WAC, “Use of University of Washington Facilities,” establish a separate Committee on the Use of University Facilities for each of the University’s three campuses. Amendments also include newly delegated authority from the President to the Chancellors to appoint a chair for the UW Bothell and UW Tacoma committees (amending the previous secretary of the committee role) and add liaison responsibilities between the three committee chairs. In addition, the chapter is reorganized for clarity and updated where necessary to reflect current practice. The proposed housekeeping amendments to WAC 478-137-030, “Administrative Authority,” clarify the meaning of the rule without changing its effect.
The proposed revisions have been reviewed by the Attorney General’s Office and endorsed by the UW Chancellors and the current Secretary of the Committee for the Use of University Facilities.

It is my recommendation that the Board of Regents adopt the amendments to Chapter 478-136 WAC and WAC 478-137-030.

An audio tape of the hearing has been deposited with the Secretary of the Board of Regents.

Sincerely yours,

Carol S. Niccolls
Special Counsel to the President
