

MYRESEARCH AUTUMN '22 UPDATE

MYRESEARCH IS THE UW'S RESEARCHER PORTAL - A CENTRAL SYSTEM FOR RESEARCHERS TO PROACTIVELY MANAGE RESEARCH, GRANT, BUDGET, AND COMPLIANCE ADMINISTRATIVE ACTIVITIES.

USING MYRESEARCH

Search Across the Entire MyResearch Portal:

- » **Search:** Quickly find an application, award, non-award agreement (NAA), or training transcript for yourself, your research team, or your collaborators. Search by eCG1 number, budget number, principal investigator NetID, and more.

Proposal, Award & Non-Award Agreement Status:

- » **MyResearch Summary Dashboard:** View all eCG1s, awards, NAAs, and related items associated to you
- » **Status Visibility:** See real-time progress, status changes, details, and history
- » **Contact Information:** Quickly and easily see who to contact
- » **Important Award Comments:** See OSP and GCA's comments informing you of compliance and fiscal information changes
- » **Direct Links:** Depending on the status of your application, make use of direct links to SAGE & GrantTracker

Training Transcript:

- » **Personalized Transcript:** Track your research-required training in one location
- » **Other Person Look-up:** Quickly find a training record for yourself, your research team, or your collaborators

SPONSORSHIP

VICE PROVOST FOR RESEARCH:

Mari Ostendorf is the UW's Vice Provost for Research and is the executive sponsor of MyResearch. Mari's continued focus on supporting UW faculty with collaborative tools is the primary driver of this project.

PARTNERSHIPS: The success of MyResearch is dependent upon building, maintaining, and leveraging partnerships with research centers, schools, departments, compliance units, and advisory committees across all three UW campuses.

EXPLORE

VISIT MYRESEARCH.UW.EDU:

MyResearch is in beta. We have a rich roadmap of additional features and would love your feedback!

MYRESEARCH HIGHLIGHTS

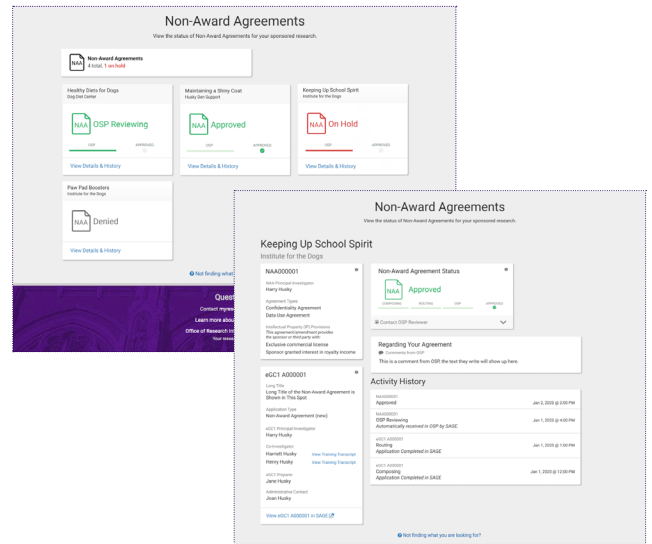

Search »

The eGC1 number is included in the title of every search result to help you easily identify applications, awards, and NAAs.

NAA Dashboard & Details »

The NAA Dashboard includes precise status and hold information for all of your existing and in-progress NAAs. The NAA Details page includes relevant OSP reviewer comments and contact information, agreement types, and detailed eGC1 and NAA activity history.

Navigate to MyResearch from SAGE »

From SAGE, you are one click away from MyResearch. Easily find status updates or hold information directly from your eGC1 or SAGE tasklist for proposals in approved, awarded, or denied statuses.

| eGC1 # | PI | Full Application Title | Sponsor Name | eGC1 Status | Date Created |
|--------|----|--|--------------------------------------|-------------|--------------|
| | | Patient Perspectives on Prescription Opioid Tapering and Discontinuation | Kaiser Foundation Research Institute | Approved | 5/29/2019 |
