Working together to keep the UW community safe
Nearly 1 out of 5 occupational fatalities is attributed to workplace violence.

Of these, there is a greater than 1 in 3 chance that the fatality was caused by a relative or domestic partner. When a victim of relationship violence leaves their abuser, where is the one place the abuser knows the victim will be every day?

Be aware of behaviors that make you feel threatened or unsafe.

If you notice behaviors that make you uncomfortable, contact SafeCampus.

CALL SAFE CAMPUS
206-685-SAFE (7233)

Supervisors are responsible for reporting incidents of violent or threatening behavior. Direct threats require immediate response.

If you notice behaviors that make you or others uncomfortable, contact your supervisor to ask for help.
