BOX NUMBER	358530	
EMPLOYMENT PERIOD	Summer Only [] Sum & Acad Year [] Acad Year Only [X]	
HOURS PER WEEK	Sum: 40 hrs/wk [] up to 19 hrs/wk [] Acad Yr: up to 19 hrs/wk [X]	
RATE OF PAY	\$10.00 per hour (Compliance with current UW Student Pay Schedule)	

Duties and Responsibilities:

The laboratory assistant will work under the supervision of Christy Cherrier, Science Lab Coordinator for the Interdisciplinary Arts and Science program, to assist her with the support of science classes and research at UWB. During autumn 2009, work will focus on the support of BES 303, Environmental Monitoring Practicum, and the enhancements to the UWB herbarium. Tasks will include, but not necessarily be limited to: washing laboratory glassware and sample bottles, calibrating and maintaining laboratory equipment, collecting and preserving plant specimens for the herbarium, care and maintenance of plant samples in our growth chambers, and assisting with the set up and break down of laboratory exercises for a variety of science courses.

Minimum Qualifications:

- One laboratory science course
- Interest in scientific methods and procedures
- Declared major or an intention to declare a major in science

Educational Benefits:

- Increased familiarity with the day to day functioning of a working science lab
- Experience with the calibration, operation, and maintenance of analytical instruments
- Practice with quality assurance and quality control procedures associated with laboratory science
