<b>HOURS PER WEEK</b>	Sum: 40 hrs/wk [ ]      up to 19 hrs/wk [ x ]      Acad Yr: up to 19 hrs/wk [ ]
<b>RATE OF PAY</b>	\$8.55 - \$10.00 DOE      (Compliance with current UW Student Pay Schedule)

**Duties and Responsibilities:**

The undergraduate laboratory assistant will be primarily responsible for dishwashing, reagents preparation and general laboratory maintenance. Successful applicants will have the opportunity to gain hands-on experience in molecular biology, biochemistry, molecular biology and electrochemistry by assisting and interacting with graduate students and post docs.

**Minimum Qualifications:**

Employee must be a registered University of Washington student. The student should have a strong interest microbiology and engineering as well as a strong desire to learn.

**Educational Benefits:**

The student will be exposed to both fundamental and applied research at the interface of biotechnology, nanotechnology, and molecular engineering. The student will learn advanced lab techniques and an opportunity to experience and participate in cutting edge research that cannot be learned in ordinary lab classes.
