**Nature of Business or Organization:**

Founded by Brad Johnson in 1993, Bradley Johnson Attorneys is a nine attorney firm, representing clients in the areas of Criminal Defense, Personal Injury and Family Law. Defined by our aggressive and innovative interpretation of Washington DUI law, we are, in our opinion, one of a handful of DUI boutique firms and practitioners, helping shape DUI law in favor of fairness for Defendants. BJA has five full-time attorneys devoted exclusively to Criminal Defense and DUI. Our defense attorneys have earned acquittals and favorable resolutions, defending the rights of those charged with crimes as serious as Murder in the First Degree, Sexual Assault, Drug Crimes, Domestic Violence, and Property Crimes. Bradley Johnson Attorneys also boasts of two attorneys devoted to representing plaintiffs who have been injured by the negligence of others. Notable cases include a suit against DSHS on behalf of two minor girls, who were raped while negligently placed in foster care. BJA welcomes referrals of personal injury and automobile cases as well. Our firm is rounded out by two seasoned and compassionate Family Law attorneys with a combined legal experience of over 20 years. The firm handles dissolutions, legal separations, child support and custody issues as well as pre-/post-marital contracts.
