If you must take certain preparatory coursework as a prerequisite for admission to an eligible program, you may be eligible for loans through the Ford Federal Direct Loan program. All eligibility criteria except “admission to a regular program” are applicable including the requirement to apply using the Free Application for Federal Student Aid (FAFSA) and a minimum of half-time enrollment. This eligibility is limited to a single 12 consecutive month period.

**Directions:** Complete this form. Secure a statement from an academic or admissions advisor indicating the degree you plan to pursue and the courses you will take that are prerequisites for admission. You may use side 2 of this form or a letter or other form provided by the advisor. Submit this form (and the coursework documentation, if separate) to the Office of Student Financial Aid, Schmitz Hall room 105, after you have submitted your FAFSA.
