

Work Study Job Description

Job Title	Student Assistant
Department Name	Pharmaceutics, Drug Interaction Database
Job Location	4225 Roosevelt Way NE, Suite 305, Seattle 98105
Pay Rate	\$10.10 - \$12
Employment Period	Summer, Academic Year
Hours Per Week	19 hrs/wk
Contact Supervisor	Sophie Argon
Phone Number	206-685-8515
Email Address	sophiea@uw.edu
Website	
Box Number	354699

Nature of Organization

The Drug Interaction Database is a research and analysis tool developed at the University of Washington, in the Department of Pharmaceutics. It contains in vitro and in vivo information on drug interactions.

Duties and Responsibilities

Duties range from basic office tasks(filing, typing, copying, etc) to more complex research jobs (PubMed, DIDB, Health Sciences Library, etc). Special projects are assigned periodically.

Minimum Qualifications

Basic research skills (exposure to PubMed would be a plus)
Must be organized and have a good communication skills.

Proficiency in Microsoft Word; familiarity with Excel, and Access; ability to perform accurate data entries.

Educational Benefits

The student will gain exposure to database management and pharmacy research. This is a great opportunity for students interested in the healthcare field.

How to Apply
