Nature of Organization

We are a paleontology laboratory, focusing on mammalian faunal dynamics in the context of the extinction of dinosaurs (Cretaceous-Tertiary time interval).

Duties and Responsibilities

Picking fossils from sediment, organizing fossil collections, basic office tasks (photocopying, mail, etc.), and database entry.

Minimum Qualifications

attention to detail, ability to handle independent tasks, familiarity with Office software.

Educational Benefits

Exposure to graduate student and professor research. Learn about paleontology.

How to Apply

Send email with statement of interest and CV to gpwilson@u.washington.edu
