

## Work Study Job Description

<b>Job Title</b>	Interaction Designer
<b>Organization Name</b>	Knowledge As Power
<b>Job Location</b>	Seattle, WA
<b>Address</b>	Seattle WA 98115
<b>Pay Rate</b>	\$13.00 - \$13.00
<b>Employment Period</b>	Summer
<b>Hours Per Week</b>	19 hrs/wk
<b>Contact Supervisor</b>	Sarah Schacht
<b>Phone Number</b>	
<b>Email Address</b>	director@knowledgeaspower.org
<b>Website</b>	<a href="http://knowledgeaspower.org/">http://knowledgeaspower.org/</a>

### Nature of Organization

Knowledge As Power (KAP) is an open government, 501 (c)(3) organization, dedicated to helping people become better citizens, legislators become better lawmakers, and governments become better servants of the public.

### Duties and Responsibilities

- Evaluating current design and alternatives
- Collaborating with Usability Research Interns to turn study results into design recommendations
- Sitting in on planning meetings to assist in design and execution of the study
- Participating in post-session analysis meetings, offering analysis and design suggestions
- Assisting in report writing

### Minimum Qualifications

- Working toward a degree in Informatics, Human Centered Design, Interaction Design or a related degree
- Knowledge of user interface and interaction design principles and best practices, especially for the web
- Detail oriented while always being able to keep the big picture in mind
- Passion for good user experiences and usable software

### Educational Benefits

The Interaction Designer will gain valuable real-world experience turning research data into designs, evaluating current and proposed designs, collaborating with researchers and contributing to a usability study report.

**How to Apply**
