Organization Name	Seattle Biomedical Research Institute
Job Location	Seattle, WA
Address	307 Westlake Ave N, Ste 500 Seattle WA 98109
Pay Rate	\$10.00 - \$12.00
Employment Period	Academic Year
Hours Per Week	19 hrs/wk
Contact Supervisor	Emily Yu
Phone Number	
Email Address	emily.yu@seattlebiomed.org
Website	http://seattlebiomed.org

Nature of Organization

Duties and Responsibilities

The Lab Assistant will perform biomedical support in a research laboratory setting and will be trained to work with chemicals and to use general scientific techniques. Routine tasks include solution making, sterilizing, and assistance in general lab maintenance. Will learn sterile techniques and may advance to work with biological materials, such as growth of bacterial or mammalian cells and preparation of plasmids.

Minimum Qualifications

At least 1 year of coursework in chemistry (college or AP) or equivalent combination of related education and experience is required. Coursework in biology a plus. Must have good interpersonal and communications skills; able to work effectively with variety of people in a diverse workforce; adaptable to changing work requirements; willing to multi-task; high degree of professional integrity; strong client service orientation.

Educational Benefits

Interested in Global Health? Pursue your educational experience beyond the standard curriculum and prepare for the job environment!
