

Work Study Job Description

Job Title	Math Tutor
Department Name	OMAD - Instructional Center
Job Location	1307 NE 40th Street
Pay Rate	\$11.00 - \$16.74
Employment Period	Academic Year
Hours Per Week	19 hrs/wk
Contact Supervisor	Regina Hall-Washin
Phone Number	206-543-4240
Email Address	ic@u.washington.edu
Website	depts.washington.edu/ic
Box Number	355650

Nature of Organization
Tutorial Center, program of the Office Of Minority Affairs & Diversity, Instructional Center (IC).
Duties and Responsibilities
Under the supervision of the IC math staff, peer tutors assist students seeking help in their mathematics courses. Peer tutors will work in a math drop-in and conduct workshops for small groups of students. Peer tutors may be required to attend and observe classes, and will be responsible for keeping records.
Minimum Qualifications
Must have successfully completed Math 126. Previous experience working with students is preferred.
Educational Benefits
This is an opportunity to strengthen one's math and science background by helping others. Also, peer tutors who plan to teach gain valuable teaching experience.
How to Apply
Stop by the Instructional Center @ 1307 NE 40th Street, and ask for Geena Hall.
