Nature of Organization

WISE is a non-profit specializing in technical assistance and consulting that helping improve the professional lives of individuals living with disabilities.

Duties and Responsibilities

Are you a community-minded student looking to make a difference with the work that you do? WISE (Washington Initiative for Supported Employment) is currently hiring students with a Federal or Washington State work study award to work with and mentor individuals with disabilities in work and community settings. In this role you will be a job coach, a mentor, and a leader to someone looking to work toward their employment related goals. Your daily duties could include helping someone how to master a new task at work, safely riding Metro from one location to another, learning appropriate social interactions and boundaries, making good/healthy choices around meal planning, among many other life and work skills.

Minimum Qualifications

Desire to work with individuals living with disabilities; Willingness to work off-campus; Interest in mentoring; Punctuality; Strong interpersonal skills; Ability to break down tasks into smaller steps; Personal or professional experience working with people with disabilities is desired, but not required.

Educational Benefits

Gain experience working with diverse populations; Opportunities to work with local school districts and their Special Education and Transition Programs; Gain a basic understanding of ADA and reasonable accommodation rules and practices; Ability to practice job coaching, natural supports, and other aspects of supported employment

How to Apply
