

## Work Study Job Description

<b>Job Title</b>	Research Aide
<b>Department Name</b>	School of Environmental and Forest Sciences
<b>Job Location</b>	Winkenwerder
<b>Pay Rate</b>	\$11 - \$15
<b>Employment Period</b>	Academic Year
<b>Hours Per Week</b>	19 hrs/wk
<b>Contact Supervisor</b>	Jim Lutz
<b>Phone Number</b>	
<b>Email Address</b>	jlutz@uw.edu
<b>Website</b>	<a href="http://faculty.washington.edu/jlutz">http://faculty.washington.edu/jlutz</a>
<b>Box Number</b>	352100

<b>Nature of Organization</b>
School of Environmental and Forest Sciences
<b>Duties and Responsibilities</b>
The two people filling this position will work on the mapping project in the University of Washington Arboretum. Tasks will include surveying grid points in the UW arboretum (team of two or three people) and managing those grid points in a geographic information system (individual work in the office).
<b>Minimum Qualifications</b>
Priority given to students with some experience in surveying techniques or field data collection.
<b>Educational Benefits</b>
Students will learn land surveying techniques relevant to forest inventory and analysis and project management skills.
<b>How to Apply</b>
Send a statement of interest, along with CV/resume and unofficial transcript to <a href="mailto:jlutz@uw.edu">jlutz@uw.edu</a>
