Nature of Organization

Athletics - Husky Varsity Sports
University of Washington, Intercollegiate Athletics,
North Equipment Room

Duties and Responsibilities

Assist the Olympic sports equipment managers with equipment needs and storage. Help with daily laundry for Olympic sports teams that travel.
Assist with PAC 12 and NCAA events when applicable. Assist other equipment rooms as needed.

Minimum Qualifications

Basic knowledge of sports equipment, basic organizational skills and ability to work with coaches and athletes. Computer applications. Willing to work mid day hours, maybe a weekend now and then and be physically able.

Educational Benefits

Student managers are an important part of our success. The following characteristics are expected of each student manager: self-motivation, leadership, loyalty, reliability, high moral standards and pride.

While gaining valuable work-life skills and creating relationships to last a lifetime working in an athletic equipment room is a very unique experience unlike any other on campus.
