Nature of Organization

Established in 2008, the College of the Environment is one of the premier environmental and policy colleges in the United States and the world and is an unparalleled hub of environmental scholarship, innovation, and education.

Duties and Responsibilities

Minimum Qualifications

Microsoft Windows and Office experience; excellent organization; the ability to work independently and as a team member; and strong written and verbal communication skills. Desired qualifications include: Graphic design experience and/or web design experience. An interest in sustainability/environmental research as well as in how colleges work at an administrative level would be helpful.

Educational Benefits
