Undergraduate Academic Affairs
UNIVERSITY OF
WASHINGTON

Educational Planning

Educational Planning Goal: _____

As you develop at the University, your **academic, career** and **personal** goals are likely to evolve. This worksheet is a place to make sense of your path and to become increasingly intentional about your decisions and plans. While the recommendations indicated below should be tangible and meaningful to you, they need not be set in stone. Please make sure to bring this worksheet along with your **purple folder** to future advising sessions.
